PROXY STATEMENT FOR
SPECIAL MEETING IN LIEU OF ANNUAL
MEETING OF STOCKHOLDERS OF
PAPAYA GROWTH OPPORTUNITY CORP. I

Dear Stockholders of Papaya Growth Opportunity Corp. I:

You are cordially invited to attend a special meeting in lieu of an annual meeting of stockholders of Papaya Growth Opportunity Corp. I, a Delaware corporation (the “Company,” “we,” “us” or “our”), to be held at 11:00 AM, Eastern time, on January 14, 2025 (the “Special Meeting”), or at such other time and on such other date to which the meeting may be adjourned or postponed. The Special Meeting will be held via the Internet and will be a completely virtual meeting of stockholders. You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting <https://www.cstproxy.com/papayagrowth/2025>. If your shares are held with a bank, broker or nominee and you wish to vote during the Special Meeting, you will need to obtain a legal proxy from your bank, broker or nominee and submit it to Continental Stock Transfer & Trust Company (“Continental”) by email at proxy@continentalstock.com. To vote during the Special Meeting as a stockholder of record, you will need the control number that is printed on your proxy card. We recommend logging in at least fifteen minutes before the meeting to ensure that you are logged in when the meeting starts. Online check-in will start shortly before the meeting on January 14, 2025. The accompanying proxy statement is dated December 27, 2024, and is first being mailed to stockholders of the Company on or about December 30, 2024.

Even if you are planning on attending the Special Meeting online, please promptly submit your proxy vote by completing, dating, signing and returning the enclosed proxy, so that your shares will be represented at the Special Meeting. It is strongly recommended that you complete and return your proxy card before the Special Meeting date to ensure that your shares will be represented at the Special Meeting. Instructions on how to vote your shares are in the accompanying proxy statement and the other proxy materials you received for the Special Meeting.

The Special Meeting is being held to consider and vote upon the following proposals:

1. **Proposal No. 1 — The Extension Amendment Proposal** — A proposal to amend (the “Extension Amendment”) the Company’s Second Amended and Restated Certificate of Incorporation (as amended, the “Charter”), to provide the Company’s Board of Directors (the “Board”) with the right to extend (the “Extension”) the date by which the Company has to consummate a business combination (the “Combination Period”) from January 19, 2025 to December 19, 2025 (or such earlier date as determined by the Board) (as extended, the “Extended Date”) (the “Extension Amendment Proposal”).
2. **Proposal No. 2 — The Trust Amendment Proposal** — A proposal to approve the adoption of an amendment (the “Trust Amendment,” and together with the Extension Amendment, the “Amendments”) to our investment management trust agreement, dated January 13, 2022, with Continental Stock Transfer & Trust Company, as trustee (as amended, the “Trust Agreement”), to allow the trustee to liquidate the trust account (the “Trust Account”) established in connection with our initial public offering at such time as may be determined by the Company as set forth in the Extension Amendment. The proposal described above is referred to herein as the “Trust Amendment Proposal.” The Extension Amendment Proposal and the Trust Amendment Proposal are referred to herein as the “Amendment Proposals.”

3. **Proposal No. 3 — The Adjournment Proposal** — A proposal to approve the adjournment of the Special Meeting from time to time to solicit additional proxies in favor of the Amendment Proposals or if otherwise determined by the chairperson of the Special Meeting to be necessary or appropriate (the “Adjournment Proposal,” and together with the Amendment Proposals, the “Proposals”).

The Company will transact no other business at the Special Meeting, except such business as may properly come before the Special Meeting or any adjournments or postponements thereof.

Each of the Extension Amendment Proposal, the Trust Amendment Proposal and the Adjournment Proposal is more fully described in the accompanying proxy statement. Please take the time to read carefully each of the proposals in the accompanying proxy statement before you vote. Approval of the Extension Amendment Proposal and Trust Amendment Proposal is a condition to implementing the Extension. The Adjournment Proposal is not conditioned on the approval of any other proposal.

Our existing Charter currently provides that we have until January 19, 2025 to complete our initial Business Combination; provided that the Company pays the Extension Payment for each month until January 19, 2025. If we do not complete an initial Business Combination by the applicable date, we will be required to (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, subject to lawfully available funds therefor, redeem all of the then-outstanding shares of the Company’s Class A common stock issued in its initial public offering (the “Public Shares”) at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, less interest previously released to, or reserved for use by, the Company in an amount up to \$100,000 to pay dissolution expenses and less any other interest released to, or reserved for use by, the Company to pay taxes, divided by the number of then outstanding Public Shares, which redemption will completely extinguish the rights of the holders of the Public Shares as stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our Board in accordance with applicable law, liquidate and dissolve, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

The Trust Agreement currently provides that the trustee shall commence liquidation of the Trust Account only and promptly after receipt of the applicable instruction letter delivered by us in connection with either a closing of an initial Business Combination or our inability to effect an initial Business Combination within the time frame specified in our Charter.

The purpose of the Extension Amendment Proposal and Trust Amendment Proposal is to allow the Company additional time to complete a business combination. The Charter currently provides that we have until January 19, 2025 (subject to extension payments as provided in the Charter) to complete an initial business combination (the “Termination Date”).

In connection with the Extension Amendment Proposal, public stockholders of the Company may elect to redeem their Public Shares (the “Optional Redemption”) at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable), *divided by* the number of then-issued and outstanding Public Shares, upon approval and implementation of the Amendment Proposals. If the Amendment Proposals are approved by the requisite vote of stockholders and implemented, the remaining public stockholders will retain their right to redeem their Public Shares upon consummation of our initial Business Combination if and when it is submitted to a vote of the stockholders, subject to any limitations set forth in the Charter and the Trust Agreement.

Based upon the amount held in the Trust Account as of November 30, 2024, which was approximately \$8.0 million, the Company estimates that the per-share price at which Public Shares may be redeemed from cash held in the Trust Account will be approximately \$11.29 at the time of the Special Meeting. The closing price of a share of Class A common stock on December 20, 2024, was \$11.34. The Company cannot assure stockholders that they will be able to sell their shares of Class A common stock in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such stockholders wish to sell their shares.

You will be entitled to receive cash in the Optional Redemption only if you:

- (i) (a) hold Public Shares or (b) hold Public Shares as part of units and elect to separate such units into the underlying Public Shares and public warrants prior to exercising your redemption rights with respect to the Public Shares; and

- (ii) prior to 5:00 p.m., Eastern time, on January 10, 2025 (two business days prior to the vote at the Special Meeting or any adjournment thereof), (a) submit a written request to Continental that the Company redeem your Public Shares for cash and (b) tender or deliver your shares and other redemption forms to the transfer agent, physically or electronically through The Depository Trust Company (“DTC”).

Additionally, you will only receive cash in the Optional Redemption if the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented.

Holders of units of the Company must elect to separate the underlying Public Shares and public warrants prior to exercising redemption rights with respect to the Public Shares. If you hold your units in an account at a brokerage firm or bank, you must notify your broker or bank, as applicable, that you elect to separate the units into the underlying Public Shares and public warrants, or if you hold units registered in your own name, you must contact the transfer agent directly and instruct it to do so. Your broker, bank or other nominee may have an earlier deadline by which you must provide instructions to separate the units into the underlying Public Shares and public warrants in order to exercise redemption rights with respect to the Public Shares, so you should contact your broker, bank or other nominee or intermediary. **Public Stockholders may elect to redeem all or a portion of their Public Shares even if they vote against any or all of the Amendment Proposals. However, Public Stockholders will not have their shares redeemed in the Optional Redemption unless the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented. In the event that a Public Stockholder tenders their Public Shares for redemption in the Optional Redemption and decides prior to the vote at the Special Meeting that they do not want to redeem their shares, such Public Stockholder may withdraw the tender.**

If the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented, Public Stockholders who elect to redeem their Public Shares in the Optional Redemption will receive a per-share redemption price, payable in cash, equal to the quotient obtained by dividing (i) the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable), by (ii) the number of then outstanding Public Shares. Such per-share price does not take into account up to \$100,000 of interest to pay dissolution expenses. Such dissolution expenses would be taken into account when calculating the per-share redemption price that the remaining Public Stockholders receive in connection with the dissolution and winding up of the Company, which may result in a per-share price paid to the remaining Public Stockholders in connection with the dissolution and winding up of the Company that is lower than the per-share price paid to Public Stockholders who elect to redeem their Public Shares in the Optional Redemption.

Approval of the Extension Amendment Proposal and the Trust Amendment Proposal require the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of Class A common stock and Class B common stock of the Company (together with the Class A common stock, the “Common Stock”), voting together as a single class.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by the holders of Common Stock present at the Special Meeting and entitled to vote thereon, voting together as a single class.

THE COMPANY’S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” EACH OF THE EXTENSION AMENDMENT PROPOSAL, THE TRUST AMENDMENT PROPOSAL AND THE ADJOURNMENT PROPOSAL.

The Board has fixed 5:00 PM, Eastern time, on December 12, 2024, as the record date for the Special Meeting (the “Record Date”). Only stockholders of record on the Record Date are entitled to notice of and to vote at the Special Meeting or any adjournment or postponement thereof. Further information regarding voting rights and the matters to be voted upon is presented in the accompanying proxy statement.

You are not being asked to vote on an initial Business Combination at this time. If you do not elect to redeem your Public Shares in connection with the Extension Amendment Proposal, you will retain the right to vote on an initial Business Combination, if and when such transaction is submitted to stockholders, and the right to redeem your Public Shares for cash from the Trust Account in the event a proposed initial Business Combination is approved and completed. If an initial Business Combination is not consummated by the Extended Date or the Termination Date, as the case may be, the Company will redeem its Public Shares.

You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting <https://www.cstproxy.com/papayagrowth/2025>. If your shares are held with a bank, broker or nominee and you wish to vote during the Special Meeting, you will need to obtain a legal proxy from your bank, broker or nominee and submit it to Continental by email at proxy@continentalstock.com. To vote during the Special Meeting as a stockholder of record, you will need the control number that is printed on your proxy card. You may revoke your proxy card at any time prior to the Special Meeting.

A stockholder's failure to vote by proxy or to vote by virtual attendance at the Special Meeting will not be counted towards the number of shares required to validly establish a quorum, and if a valid quorum is otherwise established, such failure to vote will have the effect of a vote "AGAINST" each of the Amendment Proposals but will have no effect on the Adjournment Proposal. Abstentions will be counted in connection with the determination of whether a valid quorum is established. Abstentions will have the effect of a vote "AGAINST" each of the Amendment Proposals but will have no effect on the Adjournment Proposal. We believe that each of the Proposals is a "non-discretionary" matter, and therefore, there will not be any broker non-votes at the Special Meeting.

YOUR VOTE IS IMPORTANT. Please sign, date and return your proxy card as soon as possible. You are requested to carefully read the proxy statement and accompanying Notice of Special Meeting for a more complete statement of matters to be considered at the Special Meeting. Stockholders will have the opportunity to present questions to the management of the Company at the Special Meeting, which is being held, in part, to satisfy the annual meeting requirement of the Nasdaq Stock Market LLC.

If you have any questions or need assistance voting your shares of Common Stock, please contact Sodali & Co. ("Sodali"), our proxy solicitor, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing PPYA.info@investor.sodali.com.

On behalf of the Board, we would like to thank you for your support of Papaya Growth Opportunity Corp. I.

December 27, 2024

By Order of the Board,

/s/ Tim Schenk

NOTICE OF SPECIAL MEETING IN LIEU OF ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JANUARY 14, 2025

Dear Stockholders of Papaya Growth Opportunity Corp. I,

NOTICE IS HEREBY GIVEN that the special meeting in lieu of annual meeting of stockholders of Papaya Growth Opportunity Corp. I, a Delaware corporation (the “Company,” “we,” “us” or “our”), to be held at 11:00 AM, Eastern time, on January 14, 2025 (the “Special Meeting”), or at such other time and on such other date to which the meeting may be adjourned or postponed. The Special Meeting will be held via the Internet and will be a completely virtual meeting of stockholders. You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting <https://www.cstproxy.com/papayagrowth/2025>. If your shares are held with a bank, broker or nominee and you wish to vote during the Special Meeting, you will need to obtain a legal proxy from your bank, broker or nominee and submit it to Continental Stock Transfer & Trust Company (“Continental”) by email at proxy@continentalstock.com. To vote during the Special Meeting as a stockholder of record, you will need the control number that is printed on your proxy card. We recommend logging in at least fifteen minutes before the meeting to ensure that you are logged in when the meeting starts. Online check-in will start shortly before the meeting on January 14, 2025.

The Special Meeting is being held to consider and vote upon the following proposals:

1. **Proposal No. 1 — The Extension Amendment Proposal** — A proposal to amend (the “Extension Amendment”) the Company’s Second Amended and Restated Certificate of Incorporation (as amended, the “Charter”) to provide the Company’s Board of Directors (the “Board”) with the right to extend (the “Extension”) the date by which the Company has to consummate a business combination (the “Combination Period”) from January 19, 2025 to December 19, 2025 (or such earlier date as determined by the Board) (as extended, the “Extended Date”) (the “Extension Amendment Proposal”).
2. **Proposal No. 2 — The Trust Amendment Proposal** — A proposal to approve the adoption of an amendment (the “Trust Amendment,” and together with the Extension Amendment, the “Amendments”) to our investment management trust agreement, dated January 13, 2022, with Continental Stock Transfer & Trust Company, as trustee (as amended, the “Trust Agreement”), to allow the trustee to liquidate the trust account (the “Trust Account”) established in connection with our initial public offering at such time as may be determined by the Company as set forth in the Extension Amendment. The proposal described above is referred to herein as the “Trust Amendment Proposal.” The Extension Amendment Proposal and Trust Amendment Proposal are referred to herein as the “Amendment Proposals.”
3. **Proposal No. 3 — The Adjournment Proposal** — A proposal to approve the adjournment of the Special Meeting from time to time to solicit additional proxies in favor of the Amendment Proposals or if otherwise determined by the chairperson of the Special Meeting to be necessary or appropriate (the “Adjournment Proposal,” and together with the Amendment Proposals, the “Proposals”).

The Company will transact no other business at the Special Meeting, except such business as may properly come before the Special Meeting or any adjournments or postponements thereof.

Each of the Extension Amendment Proposal, the Trust Amendment Proposal and the Adjournment Proposal is more fully described in the accompanying proxy statement. Please take the time to read carefully each of the proposals in the accompanying proxy statement before you vote. Approval of the Extension Amendment Proposal and Trust Amendment Proposal is a condition to implementing the Extension. The Adjournment Proposal is not conditioned on the approval of any other proposal.

Approval of the Extension Amendment Proposal, and the Trust Amendment Proposal require the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of Class A common stock and Class B common stock of the Company (together with the Class A common stock, the “Common Stock”), voting together as a single class.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by the holders of Common Stock present at the Special Meeting and entitled to vote thereon, voting together as a single class.

The purpose of the Extension Amendment Proposal and Trust Amendment Proposal is to allow the Company additional time to complete a business combination. The Charter currently provides that we have until January 19, 2025 (subject to extension payments as provided in the Charter) to complete an initial business combination (the “Termination Date”).

In connection with the Extension Amendment Proposal, public stockholders of the Company may elect to redeem their then-outstanding shares of the Company’s Class A common stock issued in its initial public offering (the “Public Shares”) (the “Optional Redemption”) at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable), *divided by* the number of then-issued and outstanding Public Shares, upon approval and implementation of the Amendment Proposals. If the Amendment Proposals are approved by the requisite vote of stockholders and implemented, the remaining public stockholders will retain their right to redeem their Public Shares upon consummation of our initial Business Combination if and when it is submitted to a vote of the stockholders, subject to any limitations set forth in the Charter and the Trust Agreement.

Based upon the amount held in the Trust Account as of November 30, 2024, which was approximately \$8.0 million, the Company estimates that the per-share price at which Public Shares may be redeemed from cash held in the Trust Account will be approximately \$11.29 at the time of the Special Meeting. The closing price of a share of Class A common stock on December 20, 2024, was \$11.34. The Company cannot assure stockholders that they will be able to sell their shares of Class A common stock in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such stockholders wish to sell their shares.

You will be entitled to receive cash in the Optional Redemption only if you:

- (i) (a) hold Public Shares or (b) hold Public Shares as part of units and elect to separate such units into the underlying Public Shares and public warrants prior to exercising your redemption rights with respect to the Public Shares; and
- (ii) prior to 5:00 p.m., Eastern time, on January 10, 2025 (two business days prior to the vote at the Special Meeting or any adjournment thereof), (a) submit a written request to Continental that the Company redeem your Public Shares for cash and (b) tender or deliver your shares and other redemption forms to the transfer agent, physically or electronically through The Depository Trust Company (“DTC”).

Additionally, you will only receive cash in the Optional Redemption if the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented.

Holders of units of the Company must elect to separate the underlying Public Shares and public warrants prior to exercising redemption rights with respect to the Public Shares. If you hold your units in an account at a brokerage firm or bank, you must notify your broker or bank, as applicable, that you elect to separate the units into the underlying Public Shares and public warrants, or if you hold units registered in your own name, you must contact the transfer agent directly and instruct it to do so. Your broker, bank or other nominee may have an earlier deadline by which you must provide instructions to separate the units into

the underlying Public Shares and public warrants in order to exercise redemption rights with respect to the Public Shares, so you should contact your broker, bank or other nominee or intermediary. **Public Stockholders may elect to redeem all or a portion of their Public Shares even if they vote against any or all of the Amendment Proposals. However, Public Stockholders will not have their shares redeemed in the Optional Redemption unless the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented. In the event that a Public Stockholder tenders their Public Shares for redemption in the Optional Redemption and decides prior to the vote at the Special Meeting that they do not want to redeem their shares, such Public Stockholder may withdraw the tender.**

Our sponsor, Papaya Growth Opportunity I Sponsor, LLC (the “Sponsor”), and the Company’s directors and officers have agreed to waive their respective rights to liquidating distributions from the Trust Account if the Company fails to complete an initial Business Combination, although they will be entitled to liquidating distributions from the Trust Account with respect to any Public Shares they hold if the Company fails to complete its initial Business Combination by the applicable deadline. The Sponsor and the Company’s directors and officers intend to vote in favor of each of the Proposals at the Special Meeting.

If the Company liquidates, the Sponsor has agreed that it will be liable to us if, and to the extent, any claims by a third party (other than our independent auditors) for services rendered or products sold to us, or a prospective target business with which we have discussed entering into a transaction agreement, reduce the amount of funds in the Trust Account to below (i) \$10.20 per Public Share or (ii) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.20 per Public Share due to reductions in the value of the trust assets, less taxes payable, except as to any claims by a third party who executed a waiver of any and all rights to seek access to the Trust Account and except as to any claims under our indemnity of the underwriters of the Company’s initial public offering (the “IPO”) against certain liabilities, including liabilities under the Securities Act of 1933, as amended. Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible to the extent of any liability for such third-party claims. The Company has not independently verified whether the Sponsor has sufficient funds to satisfy its indemnity obligations and believes that the Sponsor’s only assets are securities of the Company and, therefore, the Sponsor may not be able to satisfy those obligations. None of the Company’s officers or directors will indemnify the Company for claims by third parties, including, without limitation, claims by vendors and prospective target businesses.

If the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented, Public Stockholders who elect to redeem their Public Shares in the Optional Redemption will receive a per-share redemption price, payable in cash, equal to the quotient obtained by dividing (i) the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable), by (ii) the number of then outstanding Public Shares. Such per-share price does not take into account up to \$100,000 of interest to pay dissolution expenses. Such dissolution expenses would be taken into account when calculating the per-share redemption price that the remaining Public Stockholders receive in connection with the dissolution and winding up of the Company, which, if the Extension Amendment Proposal is approved and the Extension Amendment is effected, may result in a per-share price paid to the remaining Public Stockholders in connection with the dissolution and winding up of the Company that is lower than the per-share price paid to Public Stockholders who elect to redeem their Public Shares in the Optional Redemption.

The withdrawal of any funds from the Trust Account in connection with the Optional Redemption will reduce the amount held in the Trust Account, and the amount remaining in the Trust Account may be significantly less than the approximate \$8.0 million that was in the Trust Account as of November 30, 2024.

Only stockholders of record of the Company as of 5:00 p.m., Eastern time, on December 12, 2024 (the “Record Date”) are entitled to notice of, and to vote at, the Special Meeting or any adjournment or postponement thereof. Each share of Common Stock entitles the holder thereof to one vote. On the Record Date, there were 9,604,904 shares of Common Stock issued and outstanding, including (i) 9,604,904 shares of Class A common stock and (ii) no shares of Class B common stock. The Company’s warrants do not have voting rights in connection with the Proposals.

Proxy voting permits stockholders unable to attend the Special Meeting by virtual attendance to vote their shares through a proxy. By appointing a proxy, your shares will be represented and voted in accordance with your instructions. You can vote your shares by completing and returning your proxy card or by completing the voting instruction form provided to you by your broker. Proxy cards that are signed and returned but do not include voting instructions will be voted by the proxy as recommended by the Board. You can change your voting instructions or revoke your proxy at any time prior to the Special Meeting by following the instructions included in this proxy statement and on the proxy card.

YOUR VOTE IS IMPORTANT. It is strongly recommended that you complete and return your proxy card before the Special Meeting date to ensure that your shares will be represented at the Special Meeting. You are urged to review carefully the information contained in the enclosed proxy statement prior to deciding how to vote your shares. Stockholders will have the opportunity to present questions to the management of the Company at the Meeting, which is being held, in part, to satisfy the annual meeting requirement of the Nasdaq Stock Market LLC.

If you have any questions or need assistance voting your shares of Common Stock, please contact Sodali & Co. (“Sodali”), our proxy solicitor, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing PPYA.info@investor.sodali.com.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This proxy statement contains “forward-looking statements” within the meaning of Section 21E of the Exchange Act and the Private Securities Litigation Reform Act of 1995, as amended, including statements regarding the return of capital to our stockholders, the consequences of not completing an initial Business Combination, the release of funds held in the Trust Account, the availability of working capital and borrowing capacity and the use of funds outside the Trust Account. In some cases, you can identify forward-looking statements by terminology such as “may,” “should,” “could,” “would,” “expect,” “plan,” “anticipate,” “believe,” “estimate,” “continue,” or the negative of such terms or other similar expressions. Forward-looking statements inherently involve many risks and uncertainties that could cause actual results to differ materially from those projected in these statements. Where, in any forward-looking statement, we express an expectation or belief as to future results or events, such expectation or belief is expressed in good faith and believed to have a reasonable basis, but such statements necessarily involve risks and uncertainties and there can be no assurance that the expectation or belief will result or be achieved or accomplished. The following include some but not all of the factors that could cause actual results or events to differ materially from those anticipated:

- our being a company with no operating history and no revenue;
- the amount of redemptions by our Public Stockholders in the Optional Redemption or the initial Business Combination;
- our ability to complete our initial Business Combination;
- actual and potential conflicts of interest relating to our Sponsor and other entities in which members of our management team are involved;
- the ability of our officers and directors to generate a number of potential initial Business Combination opportunities;
- our public securities’ liquidity and trading;
- the use of proceeds not held in the Trust Account or available to us from interest income on the Trust Account balance;
- our pool of prospective target businesses;
- the Trust Account not being subject to claims of third parties; and
- our financial performance.

Additional information on these and other factors that may cause actual results and the Company’s performance to differ materially is included in the Company’s periodic reports filed with the U.S. Securities and Exchange Commission (the “SEC”), including, but not limited to, our Annual Report on Form 10-K for the year ended December 31, 2023, including those factors described under the heading “Risk Factors” therein, and subsequent Quarterly Reports on Form 10-Q. Copies of the Company’s filings with the SEC are available publicly on the SEC’s website at www.sec.gov or may be obtained by contacting the Company. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. Readers are cautioned not to place undue reliance upon any forward-looking statements, which speak only as of the date made. These forward-looking statements are made only as of the date hereof, and the Company undertakes no obligations to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR SPECIAL MEETING

These Questions and Answers are only summaries of the matters they discuss. They do not contain all of the information that may be important to you. You should read carefully the entire document, including any annexes to this proxy statement.

Why am I receiving this proxy statement?

This proxy statement and the enclosed proxy card are being sent to you in connection with the solicitation of proxies by our Board for use at the Special Meeting, which is a special meeting in lieu of an annual meeting of stockholders, to be held by virtual attendance on January 14, 2025, or at any adjournments or postponements thereof. This proxy statement summarizes the information that you need to make an informed decision on the Proposals to be considered at the Special Meeting.

The Company is a blank check company incorporated in Delaware on October 8, 2021. The Company was formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination involving one or more businesses, which we refer to as our initial Business Combination. On January 19, 2022, the Company consummated its IPO of 28,750,000 units, with each unit consisting of one share of Class A common stock and one-half of one redeemable warrant to purchase one share of Class A common stock, which includes 3,750,000 units sold pursuant to the full exercise of the underwriters' over-allotment option. Simultaneously with the closing of the IPO, the Company completed the private sale of 1,365,500 private placement units at a purchase price of \$10.00 per private placement unit to the Sponsor, Cantor Fitzgerald & Co. and J.V.B. Financial Group, LLC on behalf of its Cohen & Company Capital Markets division, generating gross proceeds to us of \$13,655,000. The private placement warrants underlying the private placement units sold are identical to the public warrants underlying the units sold in the IPO, except that the private placement warrants and the Class A common stock issuable upon the exercise of the private placement warrants will not be transferable, assignable or salable until after the completion of a Business Combination, subject to certain limited exceptions. Additionally, the private placement warrants will be exercisable for cash or on a cashless basis, at the holder's option, and be non-redeemable. The private placement units and the private placement warrants will not be fungible with the units and the public warrants, and, once registered, will trade separately. Following the closing of the IPO and the private placement, a total of \$293,250,000 (\$10.20 per unit) of the net proceeds from the IPO and the sale of the private placement units was placed in the Trust Account, with Continental acting as trustee.

On April 12, 2023, the Company held a special meeting of stockholders (the "April Special Meeting") at which the stockholders approved an amendment to the Charter and Trust Agreement to extend the date by which we must consummate a business combination transaction up to six (6) times for an additional one (1) month each time, from April 19, 2023 to October 19, 2023.

In connection with the April Special Meeting, the holders of 18,885,901 Public Shares exercised their right to redeem their shares for cash at a redemption price of approximately \$10.3988 per share, for an aggregate redemption amount of approximately \$196,390,058. Following such redemptions, 9,864,099 Public Shares remained outstanding.

On August 30, 2023, the Company held a special meeting of stockholders (the "August Special Meeting") at which the stockholders approved (A) amendments to the Charter to (i) extend the date by which the Company has to consummate a business combination for an additional one (1) month each time, from October 19, 2023 to February 19, 2024; (ii) provide for the right of a holder of Class B common stock of the Company, par value \$0.0001 per share ("Class B common stock"), to convert their shares of Class B common stock into shares of Class A common stock on a one-to-one basis at any time and from time to time at the election of the holder (the "Class B Conversion Amendment"); and (iii) eliminate from the Charter the limitation that the Company may not redeem the Public Shares to the extent that such redemption would result in the Company's failure to have net tangible assets (as determined in accordance with Rule 3a51-1(g) (1) of the Securities Exchange Act of 1934) in excess of \$5,000,000 (the "Redemption Limitation") in order to allow the Company to redeem Public Shares irrespective of whether such redemption would exceed the Redemption Limitation (the "Redemption Limitation Amendment"); and (B) an amendment to the Trust Agreement to allow the Company to extend for an additional one (1) month

each time, from October 19, 2023 to February 19, 2024 by depositing into the Company's trust account for each one- month extension, the lesser of (a) \$30,000 and (b) \$0.03 for each then-outstanding Public Share after giving effect to any redemptions. In connection with the August Special Meeting, the holders of 7,560,892 Public Shares exercised their right to redeem their shares for cash at a redemption price of approximately \$10.68965 per share, for an aggregate redemption amount of approximately \$80,823,312. Following such redemptions, 2,303,207 Public Shares remained outstanding.

On February 16, 2024, the Company held a special meeting of stockholders (the "February Special Meeting") at which the stockholders approved (A) an amendment to the Charter to extend the date by which the Company has to consummate a business combination for an additional one (1) month each time, from February 19, 2024 to January 19, 2025; and (B) an amendment to the Trust Agreement to allow the Company to extend for an additional one (1) month each time, from February 19, 2024 to January 19, 2025 by depositing into the Company's trust account for each one-month extension, the lesser of (a) \$30,000 and (b) \$0.0225 for each then-outstanding Public Share after giving effect to any redemptions. In connection with the February Special Meeting, the holders of 1,592,678 Public Shares exercised their right to redeem their shares for cash at a redemption price of approximately \$10.9438 per share, for an aggregate redemption amount of approximately \$17.4 million. Following such redemptions, 710,529 Public Shares remained outstanding.

On February 16, 2024, the Sponsor determined to convert all the outstanding shares of Class B common stock into shares of Class A common stock on a one-for-one basis (the "Class B Conversion"). Notwithstanding the Class B Conversion, the Sponsor, as well as the officers and directors, will not be entitled to receive any funds held in the Trust Account with respect to any shares of Class A common stock issued to such holders as a result of the Class B Conversion, and no additional amounts will be deposited into the Trust Account in respect of shares of Class A common stock held by the Sponsor.

As of November 30, 2024, a total of approximately \$8.0 million remains in the Trust Account.

At present, our Charter provides for the return of the proceeds held in the Trust Account to the holders of shares of Class A common stock if we do not complete our initial Business Combination by January 19, 2025 (subject to extension payments as provided in the Charter) (the "Termination Date").

The purpose of the Extension Amendment Proposal and Trust Amendment Proposal is to allow the Company additional time to complete a Business Combination.

YOUR VOTE IS IMPORTANT. It is important that your shares be represented at the Special Meeting, regardless of the number of shares that you hold. You are, therefore, urged to execute and return, at your earliest convenience, the enclosed proxy card in the envelope that has also been provided.

Why does the Company need to hold an annual meeting?

The Special Meeting is also being held, in part, to satisfy the annual meeting requirement of Nasdaq. Nasdaq Listing Rule 5620(a) requires that we hold an annual meeting of stockholders within 12 months after our fiscal year ended December 31, 2023. At the Special Meeting, you will have the opportunity to present questions to the Management.

What is being voted on?

You are being asked to vote on the following proposals:

- (a) **Proposal No. 1 — The Extension Amendment Proposal** — A proposal to approve the adoption of the Extension Amendment to provide the Board with the right to extend the date by which the Company has to consummate a business combination (the "Combination Period") from January 19, 2025 to December 19, 2025 (or such earlier date as determined by the Board) (as extended, the "Extended Date").

- (b) **Proposal No. 2 — The Trust Amendment Proposal** — A proposal to approve the adoption of the Trust Amendment to the Trust Agreement to allow the trustee to liquidate the Trust Account at such time as may be determined by the Company as set forth in the Extension Amendment.
- (c) **Proposal No. 3 — The Adjournment Proposal** — A proposal to approve the adjournment of the Special Meeting from time to time to solicit additional proxies in favor of the Amendment Proposals or if otherwise determined by the chairperson of the Special Meeting to be necessary or appropriate.

You are not being asked to vote on an initial Business Combination at this time. If you do not elect to redeem your Public Shares in connection with the Extension Amendment Proposal (the “Optional Redemption”), you will retain the right to vote on an initial Business Combination, if and when such transaction is submitted to stockholders, and the right to redeem your Public Shares for cash from the Trust Account in the event a proposed initial Business Combination is approved and completed. If an initial Business Combination is not consummated by the Extended Date or the Termination Date, as the case may be, the Company will redeem its Public Shares.

Can I attend the Special Meeting?

The Special Meeting will be held via the Internet and will be a completely virtual meeting of stockholders. You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting <https://www.cstproxy.com/papayagrowth/2025>. If your shares are held with a bank, broker or nominee and you wish to vote during the Special Meeting, you will need to obtain a legal proxy from your bank, broker or nominee and submit it to Continental by email at proxy@continentalstock.com. To vote during the Special Meeting as a stockholder of record, you will need the control number that is printed on your proxy card. We recommend logging in at least fifteen minutes before the meeting to ensure that you are logged in when the meeting starts. Online check-in will start shortly before the meeting on January 14, 2025.

You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage-paid envelope. If you hold your shares in “street name,” which means your shares are held of record by a broker, bank or other nominee, you should contact your broker, bank or other nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or other nominee with instructions on how to vote your shares.

You can also listen only to the Special Meeting by dialing 800-450-7155 (toll-free) if within the U.S. or Canada, or 857-999-9155 (standard rates apply) if outside of the U.S. and Canada, when prompted enter the pin 1871595#. This is listen only.

Why should I vote to approve the Extension Amendment Proposal and the Trust Amendment Proposal?

The Company believes its stockholders will benefit from its consummating the Business Combination and is proposing the Extension Amendment Proposal and Trust Amendment Proposal to extend the date by which the Company has to complete the Business Combination. The Board believes that the current Termination Date will not provide sufficient time to complete the Business Combination. The Board believes that given the Company’s expenditure of time, effort and money on finding a potential business combination, circumstances warrant providing public stockholders an opportunity to consider the Business Combination through the Extended Date. However, even if the Extension Amendment Proposal and Trust Agreement Amendment Proposal are approved and the Extension is implemented, there is no assurance that the Company will be able to consummate a Business Combination by the Extended Date.

The Board unanimously recommends that you vote in favor of the Extension Amendment Proposal and the Trust Agreement Amendment Proposal, but expresses no opinion as to whether you should redeem your Public Shares in the Optional Redemption.

How do the Company insiders intend to vote their shares?

The Sponsor has the right to vote approximately 90% of the Company’s issued and outstanding shares of Common Stock, and is expected to vote all of such shares in favor of each Proposal to be voted upon by our stockholders at the Special Meeting.

In addition, subject to applicable securities laws (including with respect to material nonpublic information), the Sponsor, the Company's directors or officers or any of their respective affiliates may (i) purchase Public Shares from institutional and other investors (including those who vote, or indicate an intention to vote, against any of the Proposals presented at the Special Meeting, or elect to redeem, or indicate an intention to redeem, Public Shares), (ii) enter into transactions with such investors and others to provide them with incentives to not redeem their Public Shares, or (iii) execute agreements to purchase such Public Shares from such investors or enter into non-redemption agreements in the future. In the event that the Sponsor, the Company's directors or officers or any of their respective affiliates purchase Public Shares in situations in which the tender offer rules and restrictions on purchases would apply, they (a) would purchase the Public Shares at a price no higher than the price offered through the Company's redemption process; (b) would represent in writing that such Public Shares will not be voted in favor of approving the Amendment Proposals; and (c) would waive in writing any redemption rights with respect to the Public Shares so purchased.

Subject to the immediately preceding paragraph, the Sponsor, the Company's directors or officers or any of their respective affiliates, may purchase Public Shares in privately negotiated transactions or in the open market prior to the Special Meeting, although they are under no obligation to do so. Any such purchases that are completed after the Record Date may include an agreement with a selling stockholder that such stockholder, for so long as it remains the record holder of the shares in question, will vote in favor of the Proposals and/or will not exercise its redemption rights with respect to the shares so purchased. The purpose of such share purchases and other transactions would be to increase the likelihood that the Proposals to be voted upon at the Special Meeting are approved by the requisite number of votes and/or to decrease the likelihood that the Redemption Limitation is exceeded. In the event that such purchases do occur, the purchasers may seek to purchase shares from stockholders that would otherwise have voted against the Proposals and elected to redeem their shares for a portion of the Trust Account. Any such privately negotiated purchases may be effected at purchase prices that are below or in excess of the per-share pro rata portion of the Trust Account. None of the funds held in the Trust Account will be used to purchase Public Shares or warrants in such transactions. Any Public Shares held by or subsequently purchased by our affiliates may be voted in favor of the Proposals. Additionally, at any time at or prior to the Special Meeting, subject to applicable securities laws (including with respect to material non-public information) the Sponsor or the Company's directors or officers or any of their respective affiliates may, although they are under no obligation to do so, enter into transactions with investors and others to provide them with incentives to acquire Public Shares, vote their Public Shares in favor of the Proposals or not redeem their Public Shares. The Sponsor and the Company's directors or officers or any of their respective affiliates are restricted from making any such purchases when they are in possession of any material nonpublic information not disclosed to the seller, during a restricted period under Regulation M under the Exchange Act or during any applicable blackout period under the Company's insider trading policy.

What vote is required to approve the Amendment Proposals?

Approval of the Extension Amendment Proposal and the Trust Amendment Proposal require the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of Common Stock, voting together as a single class.

What vote is required to approve the Adjournment Proposal?

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by the holders of Common Stock present at the Special Meeting and entitled to vote thereon, voting together as a single class.

What if I want to vote against or do not want to vote for any of the Proposals?

If you do not want any of the Proposals to be approved, you must abstain, not vote or vote against such proposal. A stockholder's failure to vote by proxy or to vote by virtual attendance at the Special Meeting will not be counted towards the number of shares required to validly establish a quorum, and if a valid quorum is otherwise established, such failure to vote will have the effect of a vote "AGAINST" the Amendment Proposals but will have no effect on the Adjournment Proposal. Abstentions will be counted

in connection with the determination of whether a valid quorum is established. Abstentions will have the effect of a vote “AGAINST” the Amendment Proposals but will have no effect on the Adjournment Proposal. We believe that each of the Proposals is a “non-discretionary” matter, and therefore, there will not be any broker non-votes at the Special Meeting.

If the Amendment Proposals are approved, what happens next?

Upon approval of the Amendment Proposals by the required number of votes, we plan to file the Extension Amendment with the Secretary of State of the State of Delaware as set forth in the form attached as Annex A hereto and will continue its efforts to consummate the Business Combination on or before the Extended Date. Even if the Extension Amendment Proposal and the Trust Agreement Amendment Proposal are approved, the Company may nevertheless choose not to amend the Charter. If we abandon the Amendments, Public Stockholders will not have their Public Shares redeemed in the Optional Redemption.

The withdrawal of any funds from the Trust Account in connection with the Optional Redemption will reduce the amount held in the Trust Account, and the amount remaining in the Trust Account may be significantly less than the approximate \$8.0 million that was in the Trust Account as of November 30, 2024.

While we may utilize funds from the Trust Account to pay any potential income or franchise taxes, we will not utilize any funds from our Trust Account, including any interest thereon, to pay any potential excise taxes that may become due upon a redemption of the Public Shares, including in connection with a liquidation of the Company if we are not able to successfully complete a business combination.

There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial Business Combination by the Termination Date or the Extended Date.

What happens if the Extension Amendment Proposal or the Trust Amendment Proposal is not approved?

If there are insufficient votes to approve the Extension Amendment Proposal and the Trust Agreement Amendment Proposal, we may put the Adjournment Proposal to a vote in order to seek additional time to obtain sufficient votes in support of proposals.

If the Extension Amendment Proposal and the Trust Amendment Proposal is not approved and we don't consummate an initial Business Combination before the Termination Date, or such later date that may be approved by our stockholders, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter subject to lawfully available funds therefor, redeem all of our Public Shares in consideration of a per-share price, payable in cash, equal to the quotient obtained by dividing (A) the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable, and less up to \$100,000 of such net interest to pay dissolution expenses), by (B) the total number of then outstanding Public Shares, which redemption will completely extinguish rights of the Public Stockholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining stockholders and the Board in accordance with applicable law, dissolve and liquidate, subject in each case to the Company's obligations under Delaware law to provide for claims of creditors and other requirements of applicable law.

While we may utilize funds from the Trust Account to pay any potential income or franchise taxes, we will not utilize any funds from our Trust Account, including any interest thereon, to pay any potential excise taxes that may become due upon a redemption of the Public Shares, including in connection with a liquidation of the Company if we are not able to successfully complete a business combination.

There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless in the event of our winding up. In the event of a liquidation, the holders of our founder shares, including our Sponsor, will not receive any monies held in the Trust Account as a result of its ownership of our founder shares.

Where will I be able to find the voting results of the Special Meeting?

We will disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the date that the Special Meeting ends. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the date that the Special Meeting ends, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to such Current Report on Form 8-K as soon as they become available.

How do I change my vote?

If you submitted a proxy prior to the start of the Special Meeting, you may change your vote by attending the Special Meeting online and voting via the Internet at the Special Meeting or by delivering a signed proxy revocation or a new signed proxy with a later date to Continental by email at proxy@continentalstock.com. Any signed proxy revocation or later-dated proxy must be received before the start of the Special Meeting. In addition, you may change your vote through the Internet (if you originally voted through the Internet) not later than 11:59 p.m., Eastern time, on January 13, 2025 for shares held directly.

Your attendance at the Special Meeting will not, by itself, revoke a prior vote or proxy from you.

If your shares are held in an account by a broker, bank or other nominee, you should contact your nominee to change your vote or revoke your proxy.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count “FOR” and “AGAINST” votes and abstentions for each of the Proposals. A stockholder’s failure to vote by proxy or to vote by virtual attendance at the Special Meeting will not be counted towards the number of shares required to validly establish a quorum, and if a valid quorum is otherwise established, such failure to vote will have the effect of a vote “AGAINST” the Amendment Proposals but will have no effect on the Adjournment Proposal. Abstentions will be counted in connection with the determination of whether a valid quorum is established. Abstentions will have the effect of a vote “AGAINST” the Amendment Proposals but will have no effect on the Adjournment Proposal. We believe that each of the Proposals is a “non-discretionary” matter, and therefore, there will not be any broker non-votes at the Special Meeting.

If my shares are held in “street name,” will my broker automatically vote them for me?

Your broker can vote your shares with respect to “non-discretionary” items only if you provide instructions on how to vote. You should instruct your broker to vote your shares. Your broker can tell you how to provide these instructions. Abstentions will be counted in connection with the determination of whether a valid quorum is established. Abstentions will have the effect of a vote “AGAINST” the Amendment Proposals but will have no effect on the Adjournment Proposal. We believe that each of the Proposals is a “non-discretionary” matter, and therefore, there will not be any broker non-votes at the Special Meeting.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Special Meeting for the Special Meeting to be properly held under our Charter and Delaware law. The presence, in person or by proxy, at the Special Meeting of the holders of shares of outstanding capital stock of the Company representing a majority of the voting power of all outstanding shares of capital stock of the Company entitled to vote at the Special Meeting shall constitute a quorum. Proxies that are marked “ABSTAIN” will be treated as shares present for purposes of determining the presence of a quorum on all matters.

Who can vote at the Special Meeting?

Only stockholders of record of the Company as of 5:00 p.m., Eastern time on December 12, 2024, the Record Date for the Special Meeting, are entitled to vote at the Special Meeting. On the Record Date, there were 9,604,904 shares of Common Stock issued and outstanding, including (i) 9,604,904 shares of Class A

common stock and (ii) no shares of Class B common stock. The Company's warrants do not have voting rights in connection with the Proposals.

In deciding all matters at the Special Meeting, each stockholder will be entitled to one vote for each share held by them on the Record Date. Holders of shares of Class A common stock and holders of shares of Class B common stock will vote together as a single class on all matters submitted to a vote of our stockholders except as required by law. Our Sponsor owns 7,528,875 issued and outstanding shares of Class A common stock as a result of the Class B Conversion and 1,115,500 shares of Class A common stock included as part of the private placement units, collectively constituting approximately 90% of our issued and outstanding shares of Common Stock.

Registered Stockholders. If our shares are registered directly in your name with our transfer agent, Continental, you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote via the Internet at the Special Meeting or prior to the Special Meeting.

On the Record Date, there was one holder of record of our public Class A common stock. The foregoing number of record holders do not include the number of stockholders whose shares are held nominally by banks, brokerage houses or other institutions, but include each such institution as one stockholder.

"Street Name" Stockholders. If our shares are held on your behalf in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of those shares held in "street name," and your broker or nominee is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee as to how to vote your shares. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of Common Stock at the Special Meeting unless you follow your broker's procedures for obtaining a legal proxy. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as "street name stockholders."

Does the Board recommend voting for the approval of the Proposals?

Yes. After careful consideration of the terms and conditions of these proposals, the Board has determined that each of the Proposals are in the best interests of the Company and its stockholders. The Board recommends that the Company's stockholders vote "FOR" each of the Proposals.

What interests do the Company's Sponsor, directors and officers have in the approval of the Proposals?

The Company's Sponsor, directors and officers have interests in the Proposals that may be different from, or in addition to, your interests as a stockholder. In the case of the Sponsor, these interests include ownership of shares of Class A common stock as a result of the Class B Conversion, ownership of private placement shares and private placement warrants. In the case of our directors and officers, these interests include arrangements related to indemnification and expense reimbursement. See the section entitled "*Proposal No. 1 — The Extension Amendment Proposal — Interests of the Sponsor and the Company's Directors and Officers*" for more information.

Are there any appraisal or similar rights for dissenting stockholders?

The General Corporation Law of the State of Delaware (the "DGCL") does not provide for appraisal or other similar rights for dissenting stockholders in connection with any of the Proposals to be voted upon at the Special Meeting. Accordingly, our stockholders will have no right to dissent and obtain payment for their shares.

Warrant holders do not have appraisal rights in connection with any of the Proposals to be voted upon at the Special Meeting.

How do I vote?

If you are a holder of record of shares of Common Stock on the Record Date, you may vote (i) prior to the Special Meeting through the Internet, (ii) by virtual attendance at the Special Meeting or (iii) by

submitting a proxy for the Special Meeting. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage-paid envelope. If you hold your shares in “street name,” which means your shares are held of record by a broker, bank or other nominee, you should contact your broker, bank or other nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or other nominee with instructions on how to vote your shares or, if you wish to attend the Special Meeting and vote by virtual attendance, obtain a valid proxy from your broker, bank or other nominee. If you hold your shares in “street name” and wish to vote online by virtually attending the Special Meeting, you must email a copy (a legible photograph is sufficient) of your legal proxy to Continental at proxy@continentalstock.com. If you email a valid legal proxy, you will be issued a control number that will allow you to register to attend and participate in the Special Meeting. If you wish to attend the Special Meeting virtually you should contact Continental no later than January 7, 2025, to obtain this information. Your broker, bank or other nominee may have an earlier deadline by which you must provide instructions to it as to how to vote your shares, so you should read carefully the materials provided to you by your broker, bank or other nominee or intermediary.

How do I redeem my shares of Common Stock?

You will be entitled to receive cash in the Optional Redemption only if you:

- (i) (a) hold Public Shares or (b) hold Public Shares as part of units and elect to separate such units into the underlying Public Shares and public warrants prior to exercising your redemption rights with respect to the Public Shares; and
- (ii) prior to 5:00 p.m., Eastern time, on January 10, 2025 (two business days prior to the vote at the Special Meeting or any adjournment thereof), (a) submit a written request to Continental that the Company redeem your Public Shares for cash and (b) tender or deliver your shares and other redemption forms to the transfer agent, physically or electronically through DTC.

Additionally, you will only receive cash in the Optional Redemption if the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented.

Holders of units of the Company must elect to separate the underlying Public Shares and public warrants prior to exercising redemption rights with respect to the Public Shares. If you hold your units in an account at a brokerage firm or bank, you must notify your broker or bank, as applicable, that you elect to separate the units into the underlying Public Shares and public warrants, or if you hold units registered in your own name, you must contact the transfer agent directly and instruct it to do so. Your broker, bank or other nominee may have an earlier deadline by which you must provide instructions to separate the units into the underlying Public Shares and public warrants in order to exercise redemption rights with respect to the Public Shares, so you should contact your broker, bank or other nominee or intermediary.

For a further discussion of redemption considerations, see the section entitled “*Proposal No. 1 — The Extension Amendment Proposal — Redemption Rights.*”

How do I withdraw my redemption request?

If you deliver your Public Shares for redemption to Continental, our transfer agent, in compliance with the redemption procedures described in the section entitled “Questions and Answers About the Proxy Materials and Our Special Meeting — How do I redeem my shares of Common Stock?” and elsewhere herein, and decide prior to the vote at the Special Meeting not to redeem your shares, you may withdraw your tender of Public Shares and request that Continental return your tendered Public Shares (physically or electronically, as applicable). To make such a request, you should contact your bank or broker or Continental using the contact information in the section entitled “Questions and Answers About the Proxy Materials and Our Special Meeting — Who can help answer my questions?”

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards, if your shares are registered in more than one name or are registered in different accounts. For example, if you hold your shares in more than one

brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast a vote with respect to all of your shares.

Who is paying for this proxy solicitation?

Our Board is soliciting proxies for use at the Special Meeting. All costs associated with this solicitation will be borne directly by the Company. We have engaged Sodali to assist in the solicitation of proxies for the Special Meeting. We have agreed to pay Sodali a fee of \$10,000, plus disbursements, and indemnify Sodali and its affiliates against certain claims, liabilities, losses, damages and expenses for their services as the Company's proxy solicitor. We will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of shares of Class A common stock for their expenses in forwarding soliciting materials to beneficial owners of shares of Class A common stock and in obtaining voting instructions from those owners. Our directors, officers and employees may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

RISK FACTORS

There are no assurances that the Extension will enable us to complete a Business Combination.

Approving the Extension involves a number of risks. Even if the Extension is approved and implemented, the Company can provide no assurances that we will consummate a Business Combination prior to the Extended Date. Our ability to consummate a Business Combination is dependent on a variety of factors, many of which are beyond our control. If the Extension is approved and implemented, the Company expects to seek stockholder approval of its initial Business Combination. We are required to offer stockholders the opportunity to redeem shares in connection with the Extension Amendment, and we will be required to offer stockholders redemption rights again in connection with the stockholder vote to approve the Business Combination. Even if the Extension and Business Combination are approved by our stockholders, it is possible that redemptions will leave us with insufficient cash or public float to consummate the Business Combination on commercially acceptable terms, or at all. The fact that we will have separate redemption periods in connection with the Extension and Business Combination vote could exacerbate these risks.

Public Stockholders that do not elect to redeem their Public Shares in the Optional Redemption may receive a lower per-share redemption price in connection with the dissolution and winding up of the Company than the per-share redemption price paid to Public Stockholders who elect to redeem their Public Shares in the Optional Redemption.

If the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented, Public Stockholders who elect to redeem their Public Shares in the Optional Redemption will receive a per-share redemption price, payable in cash, equal to the quotient obtained by dividing (i) the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable), by (ii) the number of then outstanding Public Shares. Such per-share price does not take into account up to \$100,000 of interest to pay dissolution expenses.

Such dissolution expenses would be taken into account when calculating the per-share redemption price that the remaining Public Stockholders receive in connection with the dissolution and winding up of the Company, which may result in a per-share price paid to the remaining Public Stockholders in connection with the dissolution and winding up of the Company that is lower than the per-share price paid to Public Stockholders who elect to redeem their Public Shares in the Optional Redemption.

In the event the Amendment Proposals are approved and the Extension Amendment is effected, the ability of our Public Stockholders to exercise redemption rights in the Optional Redemption with respect to a large number of our Public Shares may adversely affect the liquidity of our securities.

A Public Stockholder may request that the Company redeem all or a portion of such Public Stockholder's Public Shares for cash in the Optional Redemption. The ability of our Public Stockholders to exercise such redemption rights with respect to a large number of our Public Shares may adversely affect the liquidity of our Class A common stock. As a result, you may be unable to sell your Class A common stock even if the per-share market price is higher than the per-share redemption price paid to Public Stockholders who elect to redeem their Public Shares in the Optional Redemption.

A 1% U.S. federal excise tax could be imposed on us in connection with redemptions by us of our shares of Class A common stock.

On August 16, 2022, the Inflation Reduction Act of 2022 (the "IR Act") was signed into federal law. The IR Act provides for, among other things, a U.S. federal 1% excise tax on certain repurchases (including redemptions) of stock by publicly traded domestic (i.e., U.S.) corporations and certain domestic subsidiaries of publicly traded foreign corporations (the "Excise Tax"). The Excise Tax is imposed on the repurchasing corporation itself, not its stockholders from which shares are repurchased. The amount of the Excise Tax is generally 1% of the fair market value of the shares repurchased at the time of the repurchase. However, for purposes of calculating the Excise Tax, repurchasing corporations are permitted to net the fair market value of certain new stock issuances against the fair market value of stock repurchases during the same taxable year. In addition, certain exceptions apply to the Excise Tax. The U.S. Department of the

Treasury (the “Treasury”) has been given authority to provide regulations and other guidance to carry out and prevent the abuse or avoidance of the Excise Tax. The IR Act applies only to repurchases that occur after December 31, 2022.

Any redemption or other repurchase that occurs may be subject to the Excise Tax. Whether and to what extent we would be subject to the Excise Tax in connection with the Special Meeting or a business combination would depend on a number of factors, including (1) the fair market value of the redemptions and repurchases in connection with the business combination, (2) the structure of the business combination, (3) the nature and amount of any “PIPE” or other equity issuances in connection with a business combination (or otherwise issued not in connection with the business combination but issued within the same taxable year of the business combination) and (4) the content of regulations and other guidance from the Treasury, if any. In addition, because the Excise Tax may be payable by us, and not by the redeeming holder, the mechanics of any required payment of the Excise Tax have not been determined. The foregoing could cause a reduction in the cash available on hand to complete a business combination and in our ability to complete a business combination.

In the event the Amendment Proposals are approved and the Extension Amendment is effected, Nasdaq may delist our securities from trading on its exchange following stockholder redemptions in the Optional Redemption, which could limit investors’ ability to make transactions in our securities and subject us to additional trading restrictions.

Our Class A common stock, units and warrants are listed on the Nasdaq Capital Market (“Nasdaq”). We are subject to compliance with Nasdaq’s continued listing requirements in order to maintain the listing of our securities on Nasdaq. Such continued listing requirements for our Class A common stock include, among other things, the requirement to maintain at least 300 public holders and at least 500,000 publicly held shares. Pursuant to the terms of the Charter, in the event the Amendment Proposals are approved and the Extension Amendment is effected, Public Stockholders may elect to redeem their Public Shares in the Optional Redemption and, as a result, we may not be in compliance with Nasdaq’s continued listing requirements.

We expect that if our Class A common stock fails to meet Nasdaq’s continued listing requirements, our units and warrants will also fail to meet Nasdaq’s continued listing requirements for those securities. We cannot assure you that any of our Class A common stock, units or warrants will be able to meet any of Nasdaq’s continued listing requirements following any redemptions of our Public Shares in the Optional Redemption. If our securities do not meet Nasdaq’s continued listing requirements, Nasdaq may delist our securities from trading on its exchange.

If Nasdaq delists any of our securities from trading on its exchange and we are not able to list such securities on another national securities exchange, we expect such securities could be quoted on an over-the-counter market. If this were to occur, we could face significant material adverse consequences, including:

- a limited availability of market quotations for our securities;
- a determination that our Class A common stock is a “penny stock” which will require brokers trading in our Class A common stock to adhere to more stringent rules, including being subject to the depository requirements of Rule 419 of the Securities Act, and possibly result in a reduced level of trading activity in the secondary trading market for our securities making it more difficult for investors to trade our securities;
- reduced demand and liquidity for our securities;
- a limited amount of news and analyst coverage;
- making us a less attractive acquisition vehicle to a target business in connection with an initial business combination; and
- a decreased ability to issue additional securities or obtain additional financing in the future.

The National Securities Markets Improvement Act of 1996, which is a federal statute, prevents or preempts the states from regulating the sale of certain securities, which are referred to as “covered securities.” Our Class A common stock, units and warrants qualify as covered securities under such statute. Although

the states are preempted from regulating the sale of covered securities, the federal statute does allow the states to investigate companies if there is a suspicion of fraud, and, if there is a finding of fraudulent activity, then the states can regulate or bar the sale of covered securities in a particular case. While we are not aware of a state having used these powers to prohibit or restrict the sale of securities issued by special purpose acquisition companies, certain state securities regulators view blank check companies unfavorably and might use these powers, or threaten to use these powers, to hinder the sale of securities of blank check companies in their states. Further, if we were no longer listed on Nasdaq, our securities would not qualify as covered securities under such statute and we would be subject to regulation in each state in which we offer our securities.

The Amendment Proposals will give the Board the authority to extend our termination date to a date that is in violation of the recently amended Nasdaq rule requiring immediate suspension and delisting for failure to consummate a business combination transaction within 36 months of our IPO.

If the Amendment Proposals pass, the Board elects to extend the termination date beyond January 19, 2025, and we have not completed a qualifying business combination transaction by January 19, 2025, we will be in violation of Nasdaq listing standards.

Nasdaq Rule 5815 was recently amended to provide for the immediate suspension and delisting of a listed company upon issuance of a delisting determination letter for failure to meet the requirement in Nasdaq Rule IM 5101-2(b), which requires a company to complete one or more business combinations within 36 months of the date of effectiveness of its IPO registration statement. Accordingly, our securities will face immediate suspension and delisting action once we receive a delisting determination letter from Nasdaq after the 36-month window ends on January 19, 2025. Pursuant to Rule 5815, as amended, Nasdaq may only reverse the determination if it finds it made a factual error applying such rule.

If Nasdaq delists any of our securities from trading on its exchange and we are not able to list such securities on another approved national securities exchange, we expect that such securities could be quoted on an over-the-counter market. If this were to occur, we could face significant material adverse consequences, including: (i) a limited availability of market quotations for our securities, (ii) reduced demand and liquidity for our securities, (iii) a determination that our Class A common stock is a “penny stock” and no longer “covered securities,” which will require brokers trading in our Class A common stock to adhere to more stringent rules, including being subject to the depository requirements of Rule 419 of the Securities Act, and possibly result in a reduced level of trading activity in the secondary trading market for the Company’s securities making it more difficult for investors to trade the Company’s securities, (iv) a limited amount of news and analyst coverage; (v) a decreased ability to issue additional securities or obtain additional financing in the future; and (vi) making us a less attractive acquisition vehicle to a target business in connection with an initial business combination. Any of the foregoing could have a material adverse effect on our ability to consummate an initial business combination and make it significantly harder to consummate such an initial business combination.

If we are deemed to be an investment company for purposes of the Investment Company Act of 1940, as amended (the “Investment Company Act”), we would be required to institute burdensome compliance requirements and our activities would be severely restricted and, as a result, we may abandon our efforts to consummate an initial business combination and liquidate.

There is currently uncertainty concerning the applicability of the Investment Company Act to a SPAC, including a company like ours. As a result, it is possible that a claim could be made that we have been operating as an unregistered investment company.

If we are deemed to be an investment company under the Investment Company Act, our activities would be severely restricted. In addition, we would be subject to burdensome compliance requirements. We do not believe that our principal activities will subject us to regulation as an investment company under the Investment Company Act. However, if we are deemed to be an investment company and subject to compliance with and regulation under the Investment Company Act, we would be subject to additional regulatory burdens and expenses for which we have not allotted funds. As a result, unless we are able to modify our activities so that we would not be deemed an investment company, we would expect to abandon our efforts to complete an initial business combination and instead to liquidate. If we were to liquidate, our

warrants will expire worthless. This will also cause you to lose the investment opportunity in a target company, and the chance of realizing future gains on your investment through any price appreciation in the combined company.

To mitigate the risk that we might be deemed to be an investment company for purposes of the Investment Company Act, we may, at any time, instruct the trustee to liquidate the securities held in the trust account and instead to hold the funds in the trust account in cash until the earlier of the consummation of an initial business combination or our liquidation. As a result, following the liquidation of securities in the trust account, we would likely receive minimal interest, if any, on the funds held in the trust account, which would reduce the dollar amount the public stockholders would receive upon any redemption or liquidation of the Company.

The funds in the trust account have, since the IPO, been held only in (i) interest-bearing bank demand deposit accounts, (ii) uninvested, (iii) U.S. government treasury obligations with a maturity of 185 days or less, or (iv) in money market funds investing solely in U.S. government treasury obligations and meeting certain conditions under Rule 2a-7 under the Investment Company Act. The longer that the funds in the trust account are held in short-term U.S. government treasury obligations or in money market funds invested exclusively in such securities, the greater the risk that we may be considered an unregistered investment company. However, to mitigate the risk of us being deemed to be an unregistered investment company (including under the subjective test of Section 3(a)(1)(A) of the Investment Company Act) and thus subject to regulation under the Investment Company Act, we may, at any time, instruct the trustee with respect to the trust account to liquidate the U.S. government treasury obligations or money market funds held in the trust account and thereafter to hold all funds in the trust account in cash until the earlier of consummation of an initial business combination or liquidation of the Company. Following such liquidation of the securities held in the trust account, we would likely receive minimal interest, if any, on the funds held in the trust account. However, interest previously earned on the funds held in the trust account still may be released to us to pay our taxes, if any, and certain other expenses as permitted. As a result, any decision to liquidate the securities held in the trust account and thereafter to hold all funds in the trust account in cash would reduce the dollar amount the public stockholders would receive upon any redemption or liquidation of the Company. If we cannot complete our initial business combination by January 19, 2025 (subject to extension payments as provided in the Charter), we will be required to liquidate and our warrants will expire worthless. This will also cause you to lose the investment opportunity in a target company, and the chance of realizing future gains on your investment through any price appreciation in the combined company.

Our ability to complete a Business Combination may be delayed or ultimately prohibited since the Business Combination may be subject to regulatory review and approval requirements, including pursuant to foreign investment regulations and review by governmental entities such as the Committee on Foreign Investment in the United States (“CFIUS”).

Our ability to complete a Business Combination may be subject to regulatory review and approval requirements by governmental entities, or ultimately prohibited. For example, CFIUS has authority to review certain direct or indirect foreign investments in U.S. businesses. Among other things, CFIUS is empowered to require mandatory filings related to certain foreign investments, to charge filing fees related to such filings, and to self-initiate national security reviews of foreign direct and indirect investments in U.S. businesses if the parties to that investment choose not to file voluntarily. If CFIUS determines that an investment threatens national security, CFIUS has the power to impose restrictions on the investment or recommend that the President prohibit it or order divestment. Whether CFIUS has jurisdiction to review an acquisition or investment transaction depends on, among other factors, the nature and structure of the transaction, the nationality of the parties, the level of beneficial ownership interest and the nature of any information or governance rights involved.

The process of government review, whether by CFIUS or otherwise, could be lengthy. Because the Company has only a limited time to complete a Business Combination, the failure to obtain any required approvals within the requisite time period may require us to liquidate. If we are unable to consummate a Business Combination by the Extended Date, including as a result of extended regulatory review, we will redeem the public shares for a pro rata portion of the funds held in the trust account and as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our Board, liquidate and dissolve, subject, in each case, to our obligations under Delaware law to provide for

claims of creditors and the requirements of other applicable law. In such event, our stockholders will miss the opportunity to benefit from a Business Combination and the potential appreciation in value of such investment. Additionally, the warrants will become worthless.

THE SPECIAL MEETING

Date, Time, Place and Purpose of the Special Meeting

The Special Meeting will be held via the Internet and will be a completely virtual meeting of stockholders. You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting <https://www.cstproxy.com/papayagrowth/2025>. If your shares are held with a bank, broker or nominee and you wish to vote during the Special Meeting, you will need to obtain a legal proxy from your bank, broker or nominee and submit it to Continental by email at proxy@continentalstock.com. To vote during the Special Meeting as a stockholder of record, you will need the control number that is printed on your proxy card. We recommend logging in at least fifteen minutes before the meeting to ensure that you are logged in when the meeting starts. Online check-in will start shortly before the meeting on January 14, 2025.

At the Special Meeting, you will be asked to consider and vote upon proposals to:

1. **Proposal No. 1 — The Extension Amendment Proposal** — A proposal to approve the adoption of the Extension Amendment to provide the Company's Board with the right to extend the date by which the Company has to consummate a business combination (the "Combination Period") from January 19, 2025 to December 19, 2025 (or such earlier date as determined by the Board) (as extended, the "Extended Date").
2. **Proposal No. 2 — The Trust Amendment Proposal** — A proposal to approve the adoption of the Trust Amendment to allow the trustee to liquidate the Trust Account at such time as may be determined by the Company as set forth in the Extension Amendment.
3. **Proposal No. 3 — The Adjournment Proposal** — A proposal to approve the adjournment of the Special Meeting from time to time to solicit additional proxies in favor of the Amendment Proposals or if otherwise determined by the chairperson of the Special Meeting to be necessary or appropriate.

The Company will transact no other business at the Special Meeting, except such business as may properly come before the Special Meeting or any adjournments or postponements thereof.

Voting Power; Record Date

Only stockholders of record of the Company as of 5:00 p.m., Eastern time, on December 12, 2024, the Record Date for the Special Meeting, are entitled to notice of, and to vote at, the Special Meeting or any adjournment or postponement thereof. Each of the shares of Common Stock entitles the holder thereof to one vote. If your shares are held in "street name" or are in a margin or similar account, you should contact your broker to ensure that votes related to the shares you beneficially own are properly counted. On the Record Date, there were 9,604,904 shares of Common Stock issued and outstanding, including (i) 9,604,904 shares of Class A common stock and (ii) no shares of Class B common stock. The Company's warrants do not have voting rights in connection with the Proposals.

Quorum and Vote of Stockholders

A quorum is the minimum number of shares required to be present at the Special Meeting for the Special Meeting to be properly held under our Charter and Delaware law. The presence, in person or by proxy, at the Special Meeting of the holders of shares of outstanding capital stock of the Company representing a majority of the voting power of all outstanding shares of capital stock of the Company entitled to vote at the Special Meeting shall constitute a quorum. Proxies that are marked "ABSTAIN" will be treated as shares present for purposes of determining the presence of a quorum on all matters. If a stockholder does not give the broker voting instructions, under applicable self-regulatory organization rules, its broker may not vote its shares on "non-discretionary" matters. We believe that each of the Proposals is a "non-discretionary" matter, and therefore, there will not be any broker non-votes at the Special Meeting.

The Sponsor has the right to vote approximately 90% of the Company's issued and outstanding shares of Common Stock, and is expected to vote all of such shares in favor of each Proposal to be voted upon by our stockholders at the Special Meeting.

Votes Required

Approval of the Extension Amendment Proposal and the Trust Amendment Proposal require the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of Common Stock, voting together as a single class.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by the holders of Common Stock present at the Special Meeting and entitled to vote thereon, voting together as a single class.

If you do not want any of the Proposals to be approved, you must abstain, not vote or vote against such proposal. A stockholder's failure to vote by proxy or to vote by virtual attendance at the Special Meeting will not be counted towards the number of shares required to validly establish a quorum, and if a valid quorum is otherwise established, such failure to vote will have the effect of a vote "AGAINST" each of the Amendment Proposals but will have no effect on the Adjournment Proposal.

Abstentions will be counted in connection with the determination of whether a valid quorum is established. Abstentions will have the effect of a vote "AGAINST" each of the Amendment Proposals but will have no effect on the Adjournment Proposal.

We believe that each of the Proposals is a "non-discretionary" matter, and therefore, there will not be any broker non-votes at the Special Meeting.

Voting

You can vote your shares at the Special Meeting by proxy or online by virtually attending the Special Meeting. If your shares are owned directly in your name with our transfer agent, Continental, you are considered, with respect to those shares, the "stockholder of record." If your shares are held in a stock brokerage account or by a bank or other nominee or intermediary, you are considered the beneficial owner of shares held in "street name" and are considered a "non-record (beneficial) stockholder."

YOUR VOTE IS IMPORTANT. It is important that your shares be represented at the Special Meeting, regardless of the number of shares that you hold. You are, therefore, urged to execute and return, at your earliest convenience, the enclosed proxy card in the envelope that has also been provided.

Stockholders of Record

You can vote by proxy by having one or more individuals who will be at the Special Meeting vote your shares for you. These individuals are called "proxies" and using them to cast your ballot at the Special Meeting is called voting "by proxy." If you wish to vote by proxy, you must (i) complete the enclosed form, called a "proxy card," and mail it in the envelope provided or (ii) submit your proxy over the Internet in accordance with the instructions on the enclosed proxy card. If you complete the proxy card and mail it in the envelope provided or submit your proxy over the Internet as described above, you will designate each of the persons designated as proxies to act as your proxy at the Special Meeting. One of the aforementioned individuals will then vote your shares at the Special Meeting in accordance with the instructions you have given them in the proxy card with respect to the Proposals presented in this proxy statement. Proxies will extend to, and be voted at, any adjournments or postponements of the Special Meeting.

Alternatively, you can vote your shares online by virtually attending the Special Meeting.

On the Record Date, there was one holder of record of our public Class A common stock. The foregoing number of record holders does not include the number of stockholders whose shares are held nominally by banks, brokerage houses or other institutions.

Beneficial Owners

If your shares are held in an account through a broker, bank or other nominee or intermediary, you must instruct the broker, bank or other nominee how to vote your shares by following the instructions that the broker, bank or other nominee provides you along with this proxy statement. Your broker, bank or other nominee may have an earlier deadline by which you must provide instructions to it as to how to vote your shares, so you should read carefully the materials provided to you by your broker, bank or other nominee or intermediary.

If you wish to attend and vote your shares at the Special Meeting, you must first obtain a legal proxy from your broker, bank or other nominee that holds your shares and email a copy (a legible photograph is sufficient) of your legal proxy to Continental at proxy@continentalstock.com. Beneficial owners who email a valid legal proxy will be issued a control number that will allow them to register to attend and participate in the Special Meeting. Beneficial owners who wish to attend the Special Meeting virtually should contact Continental no later than January 7, 2025, to obtain this information.

If you do not provide voting instructions to your bank, broker or other nominee or intermediary and you do not vote your shares at the Special Meeting, your shares will not be voted on any proposal on which your bank, broker or other nominee does not have discretionary authority to vote. In these cases, the bank, broker or other nominee or intermediary will not be able to vote your shares on those matters for which specific authorization is required. We believe each of the Proposals constitutes a “non-discretionary” matter.

Proxies

Our Board is asking for your proxy. Giving our Board your proxy means you authorize it to vote your shares at the Special Meeting in the manner you direct. You may vote for or against each proposal or you may abstain from voting. All valid proxies received prior to the Special Meeting will be voted. All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted “FOR” each of the Proposals and as the proxy holders may determine in their discretion with respect to any other matters that may properly come before the Special Meeting.

Proxies that are marked “ABSTAIN” will be treated as shares present for purposes of determining the presence of a quorum on all matters. If a stockholder does not give the broker voting instructions, under applicable self-regulatory organization rules, its broker may not vote its shares on “non-discretionary” matters. We believe each of the Proposals constitutes a “non-discretionary” matter, and therefore, there will not be any broker non-votes at the Special Meeting.

Stockholders who have questions or need assistance in completing or submitting their proxy cards should contact our proxy solicitor, Sodali, at (800) 662-5200 or by sending a letter to 333 Ludlow Street, 5th Floor, South Tower, Stamford, CT 06902, or by emailing PPYA.info@investor.sodali.com.

Revocability of Proxies

If you submitted a proxy prior to the start of the Special Meeting, you may change your vote by attending the Special Meeting online and voting via the Internet at the Special Meeting or by delivering a signed proxy revocation or a new signed proxy with a later date to Continental by email at proxy@continentalstock.com. Any signed proxy revocation or later-dated proxy must be received before the start of the Special Meeting. In addition, you may change your vote through the Internet (if you originally voted through the Internet) not later than 11:59 p.m., Eastern time, on January 13, 2025 for shares held directly.

Your attendance at the Special Meeting will not, by itself, revoke a prior vote or proxy from you.

If your shares are held in an account by a broker, bank or other nominee, you should contact your nominee to change your vote or revoke your proxy.

Attendance at the Special Meeting

The Special Meeting will be held via the Internet and will be a completely virtual meeting of stockholders. You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting <https://www.cstproxy.com/papayagrowth/2025>. If your shares are held with a bank, broker or nominee and you wish to vote during the Special Meeting, you will need to obtain a legal proxy from your bank, broker or nominee and submit it to Continental by email at proxy@continentalstock.com. To vote during the Special Meeting as a stockholder of record, you will need the control number that is printed on your proxy card. We recommend logging in at least fifteen minutes before the meeting to ensure that you are logged in when the meeting starts. Online check-in will start shortly before the meeting on January 14, 2025.

You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage-paid envelope. If you hold your shares in “street name,” which means your shares are held of record by a broker, bank or nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares or, if you wish to attend the Special Meeting and vote by virtual attendance, obtain a valid proxy from your broker, bank or nominee.

You can also listen only to the Special Meeting by dialing 800-450-7155 (toll-free) if within the U.S. or Canada, or 857-999-9155 (standard rates apply) if outside of the U.S. and Canada, when prompted enter the pin 1871595#. This is listen only.

Solicitation of Proxies

Our Board is soliciting proxies for use at the Special Meeting. All costs associated with this solicitation will be borne directly by the Company. We have engaged Sodali to assist in the solicitation of proxies for the Special Meeting. We have agreed to pay Sodali a fee of \$10,000, plus disbursements, and indemnify Sodali and its affiliates against certain claims, liabilities, losses, damages and expenses for their services as the Company’s proxy solicitor. We will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of shares of Class A common stock for their expenses in forwarding soliciting materials to beneficial owners of shares of Class A common stock and in obtaining voting instructions from those owners. Our directors, officers and employees may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

PROPOSAL NO. 1 — THE EXTENSION AMENDMENT PROPOSAL

Background

We are a blank check company, incorporated on October 8, 2021 as a Delaware corporation, formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination involving one or more businesses.

On January 19, 2022, the Company consummated its IPO of 28,750,000 units, with each unit consisting of one share of Class A common stock and one-half of one redeemable warrant to purchase one share of Class A common stock, which includes 3,750,000 units sold pursuant to the full exercise of the underwriters' over-allotment option. Simultaneously with the closing of the IPO, the Company completed the private sale of 1,365,500 private placement units at a purchase price of \$10.00 per private placement unit to the Sponsor, Cantor Fitzgerald & Co. and J.V.B. Financial Group, LLC on behalf of its Cohen & Company Capital Markets division, generating gross proceeds to us of \$13,655,000. Following the closing of the IPO and the private placement, a total of \$293,250,000 (\$10.20 per unit) of the net proceeds from the IPO and the sale of the private placement units was placed in the Trust Account, with Continental acting as trustee.

On April 12, 2023, we held a special meeting of stockholders (the "April Special Meeting") at which the stockholders approved amendments to the Charter and Trust Agreement to extend the date by which we must consummate a business combination transaction up to six (6) times for an additional one (1) month each time, from April 19, 2023 to October 19, 2023. In connection with the April Special Meeting, the holders of 18,885,901 Public Shares exercised their right to redeem their shares for cash at a redemption price of approximately \$10.3988 per share, for an aggregate redemption amount of approximately \$196,390,058. Following such redemptions, 9,864,099 Public Shares remained outstanding.

On August 30, 2023, we held a special meeting of stockholders (the "August Special Meeting") at which the stockholders approved (A) amendments to the Charter to (i) extend the date by which the Company has to consummate a business combination for an additional one (1) month each time, from October 19, 2023 to February 19, 2024; (ii) provide for the right of a holder of Class B common stock to convert their shares of Class B common stock into shares of Class A common stock on a one-to-one basis at any time and from time to time at the election of the holder (the "Class B Conversion Amendment"); and (iii) eliminate from the Charter the limitation that the Company may not redeem the Public Shares to the extent that such redemption would result in the Company's failure to have net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Securities Exchange Act of 1934) in excess of \$5,000,000 (the "Redemption Limitation") in order to allow the Company to redeem Public Shares irrespective of whether such redemption would exceed the Redemption Limitation (the "Redemption Limitation Amendment"); and (B) an amendment to the Trust Agreement to allow the Company to extend for an additional one (1) month each time, from October 19, 2023 to February 19, 2024 by depositing into the Company's trust account for each one-month extension, the lesser of (a) \$30,000 and (b) \$0.03 for each then-outstanding Public Share after giving effect to any redemptions. In connection with the August Special Meeting, the holders of 7,560,892 Public Shares exercised their right to redeem their shares for cash at a redemption price of approximately \$10.68965 per share, for an aggregate redemption amount of approximately \$80,823,312. Following such redemptions, 2,303,207 Public Shares remained outstanding.

On February 16, 2024, the Company held a special meeting of stockholders (the "February Special Meeting") at which the stockholders approved (A) an amendment to the Charter to extend the date by which the Company has to consummate a business combination for an additional one (1) month each time, from February 19, 2024 to January 19, 2025; and (B) an amendment to the Trust Agreement to allow the Company to extend for an additional one (1) month each time, from February 19, 2024 to January 19, 2025 by depositing into the Company's trust account for each one-month extension, the lesser of (a) \$30,000 and (b) \$0.0225 for each then-outstanding Public Share after giving effect to any redemptions. In connection with the February Special Meeting, the holders of 1,592,678 Public Shares exercised their right to redeem their shares for cash at a redemption price of approximately \$10.9438 per share, for an aggregate redemption amount of approximately \$17.4 million. Following such redemptions, 710,529 Public Shares remained outstanding.

On February 16, 2024, the Sponsor determined to convert all the outstanding shares of Class B common stock into shares of Class A common stock on a one-for-one basis (the “Class B Conversion”). Notwithstanding the Class B Conversion, the Sponsor, as well as the officers and directors, will not be entitled to receive any funds held in the Trust Account with respect to any shares of Class A common stock issued to such holders as a result of the Class B Conversion, and no additional amounts will be deposited into the Trust Account in respect of shares of Class A common stock held by the Sponsor.

As of November 30, 2024, a total of approximately \$8.0 million remains in the Trust Account.

The Extension Amendment

We are proposing to amend the Charter, as set forth in Annex A of this proxy statement, to provide the Board with the right to extend the date by which the Company has to consummate a business combination (the “Combination Period”) from January 19, 2025 to December 19, 2025 (or such earlier date as determined by the Board) (as extended, the “Extended Date”).

Reasons for the Extension Amendment Proposal

We believe that our stockholders will benefit from allowing the Company extra time to complete an initial Business Combination.

If the Extension Amendment Proposal Is Approved

We believe that our stockholders will benefit from allowing the Company extra time to complete an initial Business Combination if we do not think that it will be possible to consummate an initial Business Combination before the Termination Date.

Upon approval of the Amendment Proposals by the required number of votes, we plan to file the Extension Amendment with the Secretary of State of the State of Delaware. However, even if the Amendment Proposals are approved, we may nevertheless choose not to amend the Charter. If we abandon the Amendments, Public Stockholders will not have their Public Shares redeemed in the Optional Redemption.

If the Extension Amendment Proposal is approved and the Extension Amendment is effected, the amount held in the Trust Account will be reduced by withdrawals in connection with any stockholder redemptions. The Company cannot predict the amount that will remain in the Trust Account if the Extension Amendment Proposal is approved and the Extension Amendment is effected, and the amount remaining in the Trust Account may be significantly less than the approximate \$8.0 million that was in the Trust Account as of November 30, 2024.

While we may utilize funds from the Trust Account to pay any potential income or franchise taxes, we will not utilize any funds from our Trust Account, including any interest thereon, to pay any potential excise taxes that may become due upon a redemption of the Public Shares, including in connection with a liquidation of the Company if we are not able to successfully complete a business combination.

There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial Business Combination by the Termination Date or the Extended Date.

If the Extension Amendment Proposal Is Not Approved

If the Extension Amendment Proposal is not approved and we don’t consummate an initial Business Combination before the Termination Date, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter subject to lawfully available funds therefor, redeem all of our Public Shares in consideration of a per-share price, payable in cash, equal to the quotient obtained by dividing (A) the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable, and less up to \$100,000 of such net interest to pay dissolution expenses), by (B) the total number of then outstanding Public Shares, which redemption will completely extinguish rights of the Public Stockholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to

the approval of the remaining stockholders and the Board in accordance with applicable law, dissolve and liquidate, subject in each case to the Company's obligations under Delaware law to provide for claims of creditors and other requirements of applicable law.

While we may utilize funds from the Trust Account to pay any potential income or franchise taxes, we will not utilize any funds from our Trust Account, including any interest thereon, to pay any potential excise taxes that may become due upon a redemption of the Public Shares, including in connection with a liquidation of the Company if we are not able to successfully complete a business combination.

There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless in the event of our winding up. In the event of a liquidation, the holders of our founder shares, including our Sponsor, will not receive any monies held in the Trust Account as a result of its ownership of our founder shares.

Redemption Rights

If the Extension Amendment Proposal is approved and the Extension Amendment is effected, each Public Stockholder may seek to redeem his, her or its Public Shares in the Optional Redemption. Public Stockholders who do not elect to redeem their Public Shares in the Optional Redemption will retain the right to redeem their Public Shares in connection with any stockholder vote to approve a proposed initial Business Combination, or, if the Company has not consummated an initial Business Combination, by the Termination Date or the Extended Date. If the Extension Amendment Proposal is approved but the Trust Amendment Proposal is not approved, we will abandon the Amendments and will not redeem Public Shares in the Optional Redemption.

To demand redemption, you must ensure your bank or broker complies with the requirements identified herein, including submitting a written request that your shares be redeemed for cash to the Transfer Agent and tendering and delivering your shares and other redemption forms to the Transfer Agent prior to 5:00 p.m., Eastern Time, on January 10, 2025 (Two business days prior to the vote at the Special Meeting or any adjournment thereof). To obtain redemption forms, Public Stockholders should contact their bank or broker or Continental using the contact information in the section entitled "Questions and Answers About the Proxy Materials and Our Special Meeting — Who can help answer my questions?" You will only be entitled to receive cash in connection with a redemption of these shares if you continue to hold them until the anticipated effective date of the Amendment and redemptions.

You will be entitled to receive cash in the Optional Redemption only if you:

- (i) (a) hold Public Shares or (b) hold Public Shares as part of units and elect to separate such units into the underlying Public Shares and public warrants prior to exercising your redemption rights with respect to the Public Shares; and
- (ii) prior to 5:00 p.m., Eastern time, on January 10, 2025 (two business days prior to the vote at the Special Meeting or any adjournment thereof), (a) submit a written request to Continental that the Company redeem your Public Shares for cash and (b) tender or deliver your shares and other redemption forms to the transfer agent, physically or electronically through DTC.

Additionally, you will only receive cash in the Optional Redemption if the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented.

Holders of units of the Company must elect to separate the underlying Public Shares and public warrants prior to exercising redemption rights with respect to the Public Shares. If you hold your units in an account at a brokerage firm or bank, you must notify your broker or bank, as applicable, that you elect to separate the units into the underlying Public Shares and public warrants, or if you hold units registered in your own name, you must contact the transfer agent directly and instruct it to do so. Your broker, bank or other nominee may have an earlier deadline by which you must provide instructions to separate the units into the underlying Public Shares and public warrants in order to exercise redemption rights with respect to the Public Shares, so you should contact your broker, bank or other nominee or intermediary.

Through the Deposit Withdrawal at Custodian ("DWAC") system, this electronic delivery process can be accomplished by the stockholder, whether or not it is a record holder or its shares are held in "street name,"

by contacting the transfer agent or its broker and requesting delivery of its shares through the DWAC system. There is a nominal cost associated with the above-referenced tendering process and delivering shares through the DWAC system. The transfer agent will typically charge a tendering broker fee and the broker would determine whether or not to pass this cost on to the redeeming holder. While no physical stock certificates are outstanding as of the Record Date, a stockholder may request a physical stock certificate from our transfer agent. Delivering shares physically may take significantly longer than delivery through the DWAC system. In order to obtain a physical stock certificate, a stockholder's broker and/or clearing broker, DTC, and the Company's transfer agent will need to act together to facilitate this request. This process may take two weeks or longer and is outside the Company's control, so such stockholders will have less time to make their investment decision than those stockholders that deliver their shares through the DWAC system. Stockholders that request physical stock certificates and wish to redeem may be unable to meet the deadline for tendering their shares before exercising their redemption rights and thus may be unable to redeem their shares.

Public Shares that have not been tendered in accordance with these procedures prior to the vote on the Extension Amendment Proposal will not be redeemed for cash held in the Trust Account. In the event that a Public Stockholder tenders its Public Shares for redemption and decides prior to the vote at the Special Meeting that it does not want to redeem its shares, the stockholder may withdraw the tender. If you delivered your Public Shares for redemption to our transfer agent and decide prior to the vote at the Special Meeting not to redeem your shares, you may request that our transfer agent return the shares (physically or electronically, as applicable). Public Stockholders should contact their bank or broker or Continental to make such a request using the contact information in the section entitled "Questions and Answers About the Proxy Materials and Our Special Meeting — Who can help answer my questions?" In the event that a Public Stockholder tenders its Public Shares and the Extension Amendment Proposal is not approved, these shares will not be redeemed in the Optional Redemption and the shares will be promptly returned (physically or electronically, as applicable) to the stockholder. The transfer agent will hold the certificates of Public Stockholders that make the election until such shares are redeemed for cash or returned to such stockholders.

If properly demanded, the Company will redeem each Public Share at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable), divided by the number of then outstanding Public Shares. Based upon the amount held in the Trust Account as of November 30, 2024, which was approximately \$8.0 million, the Company estimates that the per-share price at which Public Shares may be redeemed from cash held in the Trust Account will be approximately \$11.29 at the time of the Special Meeting. The closing price of a share of Class A common stock on December 20, 2024 was \$11.34. The Company cannot assure stockholders that they will be able to sell their shares of Class A common stock in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such stockholders wish to sell their shares.

If you exercise your redemption rights, you will be exchanging your Public Shares for cash and will no longer own such shares. You will be entitled to receive the above described cash amount for these shares only if you properly demand redemption and tender or deliver your shares and other redemption forms to the transfer agent, physically or electronically through DTC prior to the vote on the Amendment Proposals. The Company anticipates that a Public Stockholder that tenders its Public Shares for redemption in the Optional Redemption would receive payment of the redemption price for such shares soon after the completion of the Amendments.

Public Stockholders may elect to redeem all or a portion of their Public Shares in the Optional Redemption even if they vote against any or all of the Amendment Proposals. However, Public Stockholders will not have their shares redeemed in the Optional Redemption unless the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented. In the event that a Public Stockholder tenders their Public Shares for redemption in the Optional Redemption and decides prior to the vote at the Special Meeting that they do not want to redeem their shares, such Public Stockholder may withdraw the tender.

If the Extension Amendment Proposal and the Trust Amendment Proposal are approved and implemented, Public Stockholders who elect to redeem their Public Shares in the Optional Redemption will receive a per- share redemption price, payable in cash, equal to the quotient obtained by dividing (i) the aggregate amount then on

deposit in the Trust Account, including interest (net of taxes payable), by (ii) the number of then outstanding Public Shares. Such per-share price does not take into account up to \$100,000 of interest to pay dissolution expenses. Such dissolution expenses would be taken into account when calculating the per-share redemption price that the remaining Public Stockholders receive in connection with the dissolution and winding up of the Company, which may result in a per-share price paid to the remaining Public Stockholders in connection with the dissolution and winding up of the Company that is lower than the per-share price paid to Public Stockholders who elect to redeem their Public Shares in the Optional Redemption.

United States Federal Income Tax Considerations for Stockholders Exercising Redemption Rights

The following is a discussion of U.S. federal income tax considerations generally applicable to the redemption of Public Shares for cash, either pursuant to an exercise of redemption rights described in this proxy statement or in connection with our liquidation in the event the Extension Amendment Proposal is approved and the Extension Amendment is effected, and the expiration of warrants in such event. This discussion applies only to Public Shares and warrants that are held as capital assets for U.S. federal income tax purposes (generally, property held for investment). This discussion does not describe all of the U.S. federal income tax consequences that may be relevant to holders in light of their particular circumstances or status, including:

- the Sponsor or our directors and officers;
- financial institutions or financial services entities;
- broker-dealers;
- taxpayers that are subject to the mark-to-market method of accounting;
- tax-exempt entities;
- governments or agencies or instrumentalities thereof;
- insurance companies;
- regulated investment companies or real estate investment trusts;
- expatriates or former long-term residents of the United States;
- persons that actually or constructively own five percent or more of our voting shares or five percent or more of the total value of all classes of our shares;
- persons that acquired Class A common stock pursuant to an exercise of employee stock options or upon payout of a restricted stock unit, in connection with employee stock incentive plans or otherwise as compensation or in connection with the performance of services;
- persons that hold Class A common stock as part of a straddle, constructive sale, hedging, conversion or other integrated or similar transaction;
- persons whose functional currency is not the U.S. dollar;
- controlled foreign corporations; and
- passive foreign investment companies.

This discussion is based on the Internal Revenue Code of 1986 (the “Code”), proposed, temporary and final Treasury Regulations promulgated under the Code, and judicial and administrative interpretations thereof, all as of the date hereof. All of the foregoing are subject to change, which change could apply retroactively and could affect the tax considerations described herein. This discussion does not address U.S. federal taxes other than those pertaining to U.S. federal income taxation (such as estate or gift taxes, the alternative minimum tax or the Medicare tax on certain net investment income), nor does it address any aspects of U.S. state or local or non-U.S. taxation.

We have not and do not intend to seek any rulings from the Internal Revenue Service (the “IRS”) regarding the tax consequences described herein. There can be no assurance that the IRS will not take positions inconsistent with the considerations discussed below or that any such positions would not be sustained by a court.

This discussion does not consider the tax treatment of partnerships or other pass-through entities or persons who hold our securities through such entities. If a partnership (or any entity or arrangement so characterized for U.S. federal income tax purposes) holds Public Shares or warrants, the tax treatment of such partnership and a person treated as a partner of such partnership will generally depend on the status of the partner and the activities of the partnership. Partnerships holding our securities and persons that are treated as partners of such partnerships should consult their tax advisors as to the particular U.S. federal income tax consequences to them of the transactions described herein.

EACH HOLDER SHOULD CONSULT ITS TAX ADVISOR WITH RESPECT TO THE PARTICULAR TAX CONSEQUENCES TO SUCH HOLDER OF A REDEMPTION OF PUBLIC SHARES AND EXPIRATION OF WARRANTS, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE AND LOCAL AND NON-U.S. TAX LAWS.

U.S. Holders

As used herein, a “U.S. Holder” is a beneficial owner of Class A common stock or warrants who or that is, for U.S. federal income tax purposes:

- an individual citizen or resident of the United States,
- a corporation (or other entity that is treated as a corporation for U.S. federal income tax purposes) that is created or organized (or treated as created or organized) in or under the laws of the United States or any state thereof or the District of Columbia,
- an estate whose income is subject to U.S. federal income tax regardless of its source, or
- a trust if (1) a U.S. court can exercise primary supervision over the administration of such trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (2) it has a valid election in place to be treated as a U.S. person.

If a beneficial owner of our securities is not described as a U.S. Holder and is not an entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes, such owner will be considered a “non-U.S. Holder.” The U.S. federal income tax considerations specifically applicable to non-U.S. Holders are described below under the heading “— *Non-U.S. Holders*.”

Redemption of Public Shares

Redemption of Public Shares Pursuant to An Exercise of Redemption Rights

We expect that a redemption of a U.S. Holder’s Public Shares pursuant to an exercise of redemption rights described in this proxy statement will generally be treated as a taxable disposition of such stock, with the consequences generally as described below under the section entitled “— *U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares*.” It is possible, however, that in certain circumstances such redemption could be treated as a dividend for U.S. federal income tax purposes, as described below.

If the Extension Amendment Proposal is approved and the Extension Amendment is effected, a redemption of a U.S. Holder’s Public Shares pursuant to an exercise of redemption rights described in this proxy statement may be treated as a distribution to such holder in complete liquidation of the Company, with such distribution treated as a payment received in exchange for such Public Shares under Section 331 of the Code, as described below under “— *U.S. Holders — Redemption of Public Shares — Redemption of Public Shares in Connection with Our Liquidation*” and “— *U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares*.” If a redemption of a U.S. Holder’s Public Shares pursuant to an exercise of redemption rights described in this proxy statement is not treated as a distribution to such holder in complete liquidation of the Company (a “non-liquidating redemption”), the U.S. federal income tax consequences of such redemption will instead depend on whether the redemption qualifies as a sale or exchange of such stock under Section 302 of the Code or is treated as a distribution under Section 301 of the Code.

If a non-liquidating redemption qualifies as a sale or exchange of Public Shares, a U.S. Holder will be treated as described below under the section entitled “— *U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares.*” If a non-liquidating redemption does not qualify as a sale or exchange of Public Shares, a U.S. Holder will be treated as receiving a non-liquidating distribution with the tax consequences described below under the section entitled “— *U.S. Holders — Taxation of Non-Liquidating Distributions.*”

A non-liquidating redemption will generally qualify as a sale or exchange of the Public Shares that are redeemed if such redemption (i) is “substantially disproportionate” with respect to the redeeming U.S. Holder, (ii) results in a “complete termination” of such U.S. Holder’s interest or (iii) is “not essentially equivalent to a dividend” with respect to such U.S. Holder. These tests are explained more fully below.

For purposes of such tests, a U.S. Holder takes into account not only Public Shares actually owned by such U.S. Holder, but also shares that are constructively owned by such U.S. Holder. A redeeming U.S. Holder may constructively own, in addition to Public Shares owned directly, shares owned by certain related individuals and entities in which such U.S. Holder has an interest or that have an interest in such U.S. Holder, as well as any shares such U.S. Holder has a right to acquire by exercise of an option, which would generally include shares which could be acquired pursuant to the exercise of the warrants.

A non-liquidating redemption will generally be “substantially disproportionate” with respect to a redeeming U.S. Holder if the percentage of the respective entity’s outstanding voting shares that such U.S. Holder actually or constructively owns immediately after the redemption is less than 80% of the percentage of the respective entity’s outstanding voting shares that such U.S. Holder actually or constructively owned immediately before the redemption. Prior to an initial Business Combination, the Public Shares may not be treated as voting shares for this purpose and, consequently, this substantially disproportionate test may not be applicable. There will be a complete termination of such U.S. Holder’s interest if either (i) all of the Public Shares actually or constructively owned by such U.S. Holder are redeemed or (ii) all of the Public Shares actually owned by such U.S. Holder are redeemed and such U.S. Holder is eligible to waive, and effectively waives in accordance with specific rules, the attribution of Public Shares owned by certain family members and such U.S. Holder does not constructively own any other Public Shares. A non-liquidating redemption will not be essentially equivalent to a dividend if it results in a “meaningful reduction” of such U.S. Holder’s proportionate interest in the Company. Whether the redemption will result in a meaningful reduction in such U.S. Holder’s proportionate interest will depend on the particular facts and circumstances applicable to it. The IRS has indicated in a published ruling that even a small reduction in the proportionate interest of a small minority stockholder in a publicly held corporation who exercises no control over corporate affairs may constitute such a “meaningful reduction.”

Whether a non-liquidating redemption satisfies one or more of the foregoing tests will generally depend upon a U.S. Holder’s particular circumstances. This determination may, in appropriate circumstances, take into account other acquisitions or dispositions of our securities that occur as part of a plan that includes such redemption, including dispositions of our securities that occur in connection with our liquidation.

If none of the foregoing tests is satisfied, then a non-liquidating redemption will be treated as a non-liquidating distribution to the redeemed holder and the tax effects to such U.S. Holder will be as described below under the section entitled “— *Taxation of Non-Liquidating Distributions.*” After the application of those rules, any remaining tax basis of the U.S. Holder in the redeemed Public Shares will be added to such holder’s adjusted tax basis in its remaining stock, or, if it has none, to such holder’s adjusted tax basis in its warrants or possibly in other stock constructively owned by it.

Redemption of Public Shares in Connection with Our Liquidation

A U.S. Holder’s receipt of cash for its Public Shares in connection with our liquidation is expected to be treated as a distribution to such holder in complete liquidation of the Company, with such distribution treated as a payment received in exchange for such Public Shares under Section 331 of the Code. The consequences of such distribution are generally as described below under the section entitled “— *U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares.*”

U.S. Holders should consult their tax advisors as to the tax consequences of a redemption of Public Shares pursuant to an exercise of redemption rights described in this proxy statement or in connection with our liquidation, including any special reporting requirements.

Taxation of Non-Liquidating Distributions

If the redemption of a U.S. Holder's Public Shares is treated as a non-liquidating distribution, as discussed above, such distribution will generally be treated as a dividend for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. A non-liquidating distribution in excess of our current and accumulated earnings and profits generally will constitute a return of capital that will be applied against and reduce (but not below zero) the U.S. Holder's adjusted tax basis in its Public Shares. Any remaining excess will generally be treated as gain from the sale or exchange of such Public Shares and will be treated as described under "*U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares*" below.

Dividends we pay to a U.S. Holder that is a taxable corporation will generally qualify for the dividends received deduction if the requisite holding period is satisfied. With certain exceptions (including dividends treated as investment income for purposes of investment interest deduction limitations), and provided certain holding period requirements are met, dividends we pay to a non-corporate U.S. Holder will generally constitute "qualified dividends" that will be subject to tax at the applicable tax rate accorded to long-term capital gains. It is unclear whether the redemption rights with respect to the Public Shares described in this proxy statement may prevent a U.S. Holder from satisfying the applicable holding period requirements with respect to the dividends received deduction or the preferential tax rate on qualified dividend income, as the case may be.

Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares

If the redemption of a U.S. Holder's Public Shares is treated as a sale or exchange, as discussed above, a U.S. Holder will generally recognize capital gain or loss in an amount equal to the difference between (i) the amount realized and (ii) the U.S. Holder's adjusted tax basis in the Public Shares redeemed.

Under tax law currently in effect, long-term capital gains recognized by non-corporate U.S. Holders are generally subject to U.S. federal income tax at a reduced rate of tax. Capital gain or loss will constitute long-term capital gain or loss if the U.S. Holder's holding period for the Public Shares exceeds one year. However, it is unclear whether the redemption rights with respect to the Public Shares described in this proxy statement may prevent the holding period of the Public Shares from commencing prior to the termination of such rights. The deductibility of capital losses is subject to various limitations. U.S. Holders who hold different blocks of Public Shares (Public Shares purchased or acquired on different dates or at different prices) should consult their tax advisor to determine how the above rules apply to them.

Expiration of a Warrant

If the Extension Amendment Proposal is not approved and the Extension Amendment is not effected, our warrants, which do not become exercisable unless we complete an initial Business Combination, will expire worthless on the Termination Date. In such case, a U.S. Holder will generally recognize a capital loss equal to such holder's tax basis in the expired warrants. The deductibility of capital losses is subject to various limitations that are not described herein because a discussion of such limitations depends on each U.S. Holder's particular facts and circumstances.

Non-U.S. Holders

Taxation of Non-Liquidating Distributions

If the redemption of a non-U.S. Holder's Public Shares is treated as a non-liquidating distribution, as discussed above, such distribution will generally be treated as a dividend for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Provided such dividend is not effectively connected with the non-U.S. Holder's conduct

of a trade or business within the United States, we (or another applicable withholding agent) will be required to withhold tax from the gross amount of the dividend at a rate of 30%, unless such non-U.S. Holder is eligible for a reduced rate of withholding tax under an applicable income tax treaty and provides proper certification of its eligibility for such reduced rate (usually on an IRS Form W-8BEN or W-8BEN-E, as applicable). Any portion of a non-liquidating distribution not constituting a dividend will be treated first as reducing (but not below zero) the non-U.S. Holder's adjusted tax basis in its Public Shares and, to the extent such distribution exceeds the non-U.S. Holder's adjusted tax basis, as gain from the sale or exchange of the Public Shares (taxed as described below under "*Non-U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares*").

Non-liquidating distributions to a non-U.S. Holder treated as dividends that are effectively connected with such non-U.S. Holder's conduct of a trade or business within the United States (or, if an applicable income tax treaty so provides, that are attributable to a U.S. permanent establishment or fixed base maintained by the non-U.S. Holder) will generally not be subject to U.S. withholding tax, provided such non-U.S. Holder complies with certain certification and disclosure requirements (usually by providing an IRS Form W-8ECI). Instead, such dividends will generally be subject to U.S. federal income tax, net of certain deductions, at the same graduated individual or corporate rates applicable to U.S. Holders. If the non-U.S. Holder is a corporation, dividends that are effectively connected income may also be subject to a "branch profits tax" at a rate of 30% (or such lower rate as may be specified by an applicable income tax treaty).

Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Public Shares

A non-U.S. Holder will generally not be subject to U.S. federal income or withholding tax in respect of gain recognized on a redemption of Public Shares that is treated as a sale or exchange (whether such redemption is pursuant to an exercise of redemption rights or in connection with our liquidation, each as discussed above), unless:

- the gain is effectively connected with the conduct of a trade or business by the non-U.S. Holder within the United States (and, if an applicable tax treaty so requires, is attributable to a U.S. permanent establishment or fixed base maintained by the non-U.S. Holder);
- the non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition and certain other conditions are met; or
- we are or have been a "United States real property holding corporation" ("USRPHC") for U.S. federal income tax purposes at any time during the shorter of the five-year period ending on the date of disposition or the period that the non-U.S. Holder held the Public Shares.

Gain described in the first bullet point above will generally be subject to tax at applicable U.S. federal income tax rates as if the non-U.S. Holder were a U.S. resident. Any gains described in the first bullet point above of a non-U.S. Holder that is a foreign corporation may also be subject to an additional "branch profits tax" at a 30% rate (or lower applicable treaty rate). Gain described in the second bullet point above will generally be subject to a flat 30% U.S. federal income tax. Non-U.S. Holders should consult their tax advisors regarding possible eligibility for benefits under income tax treaties.

Generally, a corporation is a USRPHC if the fair market value of its "United States real property interests" equals or exceeds 50% of the sum of the fair market value of its worldwide real property interests plus other assets used or held for use in a trade or business, as determined for U.S. federal income tax purposes. Based on the current composition of our assets, we believe we are not currently a USRPHC.

Expiration of a Warrant

If the Extension Amendment Proposal is not approved and the Extension Amendment is not effected, our warrants, which do not become exercisable unless we complete an initial Business Combination, will expire worthless on the Termination Date. In such case, a non-U.S. Holder will generally recognize a capital loss equal to such holder's tax basis in the expired warrants. The deductibility of capital losses is subject to various limitations that are not described herein because a discussion of such limitations depends on each non-U.S. Holder's particular facts and circumstances.

Interests of the Sponsor and the Company's Directors and Officers

When you consider the recommendation of our Board, you should keep in mind that the Sponsor and the Company's officers and directors have interests that may be different from, or in addition to, your interests as a stockholder. These interests include, among other things:

- If (x) the Extension Amendment Proposal is approved, the Extension Amendment is effected and we do not consummate an initial Business Combination by the Extended Date or (y) the Extension Amendment Proposal is not approved, and we do not consummate an initial Business Combination by the Termination Date, all shares of Class A common stock held by the Sponsor as a result of the Class B Conversion will be worthless (as the Sponsor has waived liquidation rights with respect to such shares), as will the private placement shares and private placement warrants held by the Sponsor;
- In connection with the IPO, the Sponsor agreed that it will be liable under certain circumstances to ensure that the proceeds in the Trust Account are not reduced by the claims of any third party for services rendered or products sold to the Company or prospective target businesses with which the Company has entered into certain agreements;
- All rights specified in the Charter relating to the right of officers and directors to be indemnified by the Company, and of the Company's officers and directors to be exculpated from monetary liability with respect to prior acts or omissions, will continue after an initial Business Combination and, if (x) the Extension Amendment Proposal is approved, the Extension Amendment is effected and we do not consummate an initial Business Combination by the Extended Date or (y) the Extension Amendment Proposal is not approved and we do not consummate an initial Business Combination by the Termination Date, so that the Company liquidates, the Company will not be able to perform its obligations to its officers and directors under those provisions; and
- The Sponsor and the Company's officers and directors and their respective affiliates are entitled to reimbursement of out-of-pocket expenses incurred by them related to identifying, investigating, negotiating and completing an initial Business Combination and, if (x) the Extension Amendment Proposal is approved, the Extension Amendment is effected and we do not consummate an initial Business Combination by the Extended Date or (y) the Extension Amendment Proposal is not approved and we do not consummate an initial Business Combination by the Termination Date, they will not have any claim against the Trust Account for reimbursement so that the Company will most likely be unable to reimburse such expenses.

Vote Required for Approval

Approval of the Extension Amendment Proposal and the Trust Amendment Proposal require the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of Common Stock, voting together as a single class. Abstentions will be counted in connection with the determination of whether a valid quorum is established. Abstentions will have the effect of a vote "AGAINST" the Extension Amendment Proposal. We believe each of the Proposals constitutes a "non-discretionary" matter, and therefore, there will not be any broker non-votes at the Special Meeting.

YOUR VOTE IS IMPORTANT. It is important that your shares be represented at the Special Meeting, regardless of the number of shares that you hold. You are, therefore, urged to execute and return, at your earliest convenience, the enclosed proxy card in the envelope that has also been provided.

Recommendation

As discussed above, after careful consideration of all relevant factors, our Board has determined that the Extension Amendment Proposal is in the best interests of the Company and its stockholders. Our Board has approved and declared advisable the Extension Amendment.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE EXTENSION AMENDMENT PROPOSAL. OUR BOARD EXPRESSES NO OPINION AS TO WHETHER YOU SHOULD REDEEM YOUR PUBLIC SHARES.

PROPOSAL NO. 2 — THE TRUST AMENDMENT PROPOSAL

The Trust Amendment

We are proposing to amend the Trust Agreement in the form set forth in Annex B of this proxy statement to provide for the liquidation of the Trust Account pursuant to the Extension Amendment.

Reasons for the Trust Amendment Proposal

The Trust Amendment Proposal is essential to the implementation of the Company's desire to allow the Board extra time to complete an initial Business Combination.

If the Trust Amendment Proposal Is Approved

If the Extension Amendment Proposal and the Trust Amendment Proposal are approved and the Extension Amendment is implemented, we will file the Extension Amendment with the Secretary of State of the State of Delaware and enter into the Trust Amendment with Continental.

If the Trust Amendment Proposal Is Not Approved

Our board will abandon the Extension Amendment and the Trust Amendment if our stockholders do not approve both the Extension Amendment Proposal and the Trust Amendment Proposal.

If either the Extension Amendment Proposal or the Trust Amendment Proposal is not approved and we don't consummate an initial Business Combination before the Termination Date, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter subject to lawfully available funds therefor, redeem all of our Public Shares in consideration of a per-share price, payable in cash, equal to the quotient obtained by dividing (A) the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable, and less up to \$100,000 of such net interest to pay dissolution expenses), by (B) the total number of then outstanding Public Shares, which redemption will completely extinguish rights of the Public Stockholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining stockholders and the Board in accordance with applicable law, dissolve and liquidate, subject in each case to the Company's obligations under Delaware law to provide for claims of creditors and other requirements of applicable law.

While we may utilize funds from the Trust Account to pay any potential income or franchise taxes, we will not utilize any funds from our Trust Account, including any interest thereon, to pay any potential excise taxes that may become due upon a redemption of the Public Shares, including in connection with a liquidation of the Company if we are not able to successfully complete a business combination.

There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless in the event of our winding up. In the event of a liquidation, the holders of our founder shares, including our Sponsor, will not receive any monies held in the Trust Account as a result of its ownership of our founder shares.

Vote Required for Approval

Approval of the Trust Amendment Proposal requires the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of Common Stock, voting together as a single class. Abstentions will be counted in connection with the determination of whether a valid quorum is established. Abstentions will have the effect of a vote "AGAINST" the Trust Amendment Proposal. We believe each of the Proposals constitutes a "non-discretionary" matter, and therefore, there will not be any broker non-votes at the Special Meeting.

YOUR VOTE IS IMPORTANT. It is important that your shares be represented at the Special Meeting, regardless of the number of shares that you hold. You are, therefore, urged to execute and return, at your earliest convenience, the enclosed proxy card in the envelope that has also been provided.

Recommendation

As discussed above, after careful consideration of all relevant factors, our Board has determined that the Trust Amendment Proposal is in the best interests of the Company and its stockholders. Our Board has approved and declared advisable the Trust Amendment.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE TRUST AMENDMENT PROPOSAL.

PROPOSAL NO. 3 — THE ADJOURNMENT PROPOSAL

Overview

The Adjournment Proposal, if adopted, will allow our Board to adjourn the Special Meeting from time to time to solicit additional proxies in favor of the Amendment Proposals or if otherwise determined by the chairperson of the Special Meeting to be necessary or appropriate.

Vote Required for Approval

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by the holders of Common Stock present at the Special Meeting and entitled to vote thereon, voting together as a single class. Abstentions will be counted in connection with the determination of whether a valid quorum is established. Abstentions will have no effect on the Adjournment Proposal. We believe that each of the Proposals is a “non-discretionary” matter, and therefore, there will not be any broker non-votes at the Special Meeting.

YOUR VOTE IS IMPORTANT. It is important that your shares be represented at the Special Meeting, regardless of the number of shares that you hold. You are, therefore, urged to execute and return, at your earliest convenience, the enclosed proxy card in the envelope that has also been provided.

Recommendation of the Board

As discussed above, after careful consideration of all relevant factors, our Board has determined that the Adjournment Proposal is in the best interests of the Company and its stockholders.

ADJOURNMENT PROPOSAL.**

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information available to us as of November 29, 2024, with respect to our shares of Common Stock held by:

- each person known by us to be the beneficial owner of more than 5% of our outstanding shares of Common Stock;
- each of our executive officers and directors; and
- all our executive officers and directors as a group.

In the table below, percentage ownership is based on 9,604,904 shares of our common stock, consisting of (i) 710,529 shares of our Class A Common Stock included in the public units, (ii) 7,528,875 shares of our Class A common stock issued pursuant to the Class B Conversion and (iii) 1,365,500 shares of our Class A common stock included in the private placement units, issued and outstanding as of November 29, 2024.

Unless otherwise indicated, we believe that all persons named in the table have sole voting and investment power with respect to all shares of common stock beneficially owned by them. The following table does not reflect record or beneficial ownership of the private placement warrants as these private placement warrants are not exercisable within 60 days of the date of this proxy statement.

Name and Address of Beneficial Owner ⁽¹⁾	Class A Common Stock	
	Number of Shares Beneficially Owned	Approximate Percentage of Class

Clay Whitehead ⁽²⁾	8,644,375	90%
Daniel Rogers	—	—
Alexander Spiro	—	—
Timothy Schenk	—	—
Daniel Murillo	—	—
Neil Herceg	—	—
All executive officers and directors as a group (six individuals)	8,644,375	90%

(1) Unless otherwise noted, the business address of each of the following entities or individuals is c/o Papaya Growth Opportunity Corp. I, 3500 South Dupont Highway, Suite HX-102, Dover, DE 19901.

(2) Our sponsor is the record holder of such shares. Clay Whitehead is the managing member of our sponsor, and as such has voting and investment discretion with respect to the common stock held of record by our sponsor and may be deemed to have beneficial ownership of the common stock held directly by our sponsor. Mr. Whitehead disclaims any beneficial ownership of the reported shares other than to the extent of any pecuniary interest he may have therein, directly or indirectly.

The Sponsor beneficially owns approximately 90% of our issued and outstanding shares of Common Stock and may be able to effectively influence the outcome of all matters requiring approval by our stockholders, including amendments to our Charter and approval of significant corporate transactions.

OTHER MATTERS

Stockholder Proposals

For any proposal to be considered for inclusion in the Company's proxy statement and form of proxy for submission to stockholders at an annual meeting of stockholders, it must be submitted in writing and comply with the requirements of Rule 14a-8 of the Exchange Act and the Charter. Such proposals must be received by the Company at its executive offices at a reasonable time before the Company begins to print and send its proxy materials for an annual meeting.

Delivery Of Documents To Stockholders

For stockholders receiving printed proxy materials, unless we have received contrary instructions, we may send a single copy of this proxy statement to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This process, known as "householding," reduces the volume of duplicate information received at any one household and helps to reduce our expenses. However, if stockholders prefer to receive multiple sets of our disclosure documents at the same address, the stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of our disclosure documents, the stockholders should follow these instructions:

- if the shares are registered in the name of the stockholder, the stockholder should contact us at our offices at 3500 South Dupont Highway, Suite HX-102, Dover, DE 19901 or (510) 214-3750, to inform us of their request; or
- if a bank, broker or other nominee holds the shares, the stockholder should contact the bank, broker or other nominee directly.
